## **A Stranger In My Grave:**

A Stranger in My Grave Margaret Millar, 2016-02-09 Young housewife Daisy Harker's world is upended when a blank spot in her memory and a reoccurring nightmare link her to an unsolved murder and a decades old conspiracy. Jim and Daisy Harker are a young well-to-do couple in San Felice, California, and though childless they maintain the sort of domestic happiness that others can only aspire to. But a darkness exists at the outer edges of Daisy's mind, and she has no idea why it's there. In a series of reoccurring nightmares she wanders a cemetery, eventually finding her own gravestone. According to the dream, December 2nd, 1955 is the day she died. Street-smart but honorable Stevens Pinata is a man with his own mysteries. An orphan left on a church doorstep as a child, he isn't even certain of his ethnicity, let alone his goals in life. As a private investigator, he works with bail bonds and quick shakedowns. But when a pretty young woman like Daisy Harker comes into his office with a crazy request to find her lost dog, he is intrigued. He is too decent to take advantage of a crazy woman, but Mr. Harker is a wealthy man, and who is Pinata to turn down money? What unfolds is a masterpiece of suspense and one of the books that forever changed the domestic thriller. Millar's razor-sharp prose cuts a masterful plot and slashes at the racism, sexism, and entitlement endemic to an era otherwise celebrated for its prosperity.
