Fontaine, Cheryl Smith, 2008 Writing academic essays in college often seems mysterious to students who do not yet understand the process of developing an idea into a finished piece of reasoned prose. *Writing Your Way Through College* demystifies that process and enables teachers to help students invent the university as they reinvent themselves as proficient writers and rhetorical problem solvers. *Writing Your Way Through College* offers instructors a set of careful lessons that draw on current disciplinary knowledge in composition and rhetoric. Sheryl Fontaine and Cheryl Smith provide a classroom-centered text that guides students through progressively more complex evidence-based writing. *Writing Your Way Through College* offers students and teachers practical lessons on writing and learning a set of assignments that build incrementally a support system for new instructors, accessible information about college writing, a flexible approach to the classroom. In a concise, readable format, *Writing Your Way Through College* offers insights into how individuals negotiate language communities so that students can better master the conventions and rhetorical characteristics of academic writing. A creative and effective template for the teaching of writing, *Writing Your Way Through College* belongs on every shelf and in every classroom.
