**Politics and the Rhetoric of Poetry**, 2022-06-13 The rich and varied nature of twentieth century Anglo Irish and Irish poetry is reflected in the essays presented in *Politics and the Rhetoric of Poetry Perspectives on Modern Anglo Irish Poetry*. The linguistic and theoretical observations formulated in close readings of apparently non political texts disclose implied political positions and suggest to what extent rhetoric and the nature of language are at the root of such questions as how should we read contemporary poetry How can poems play a part in the resolution of the political and historic conflict Nuala N Dhomhnaill's versions of *The T* in Brendan Kennelly's *Cromwell* Paul Muldoon's *Madoc* and Ciaran Carson's *Belfast Confetti* are analysed in detail as is the relationship between rhetoric and politics in Seamus Heaney and Derek Mahon Earlier twentieth century poets such as Thomas Kinsella John Hewitt Patrick Kavanagh John Montague Louis MacNeice and Padraic Colum are also examined The contingent nature of language is recognized by many of these poets and the seventeen essays bring out the political charge hidden in the poetry This includes the deliberate choice of the poetic form the internal dialogue or the complexity of voices in the poem and a particular preoccupation with endings These essays demonstrate Yeats's contention that Deliberation can be so intensified that it becomes synonymous with inspiration

**Bodies and Voices** Anna Rutherford, European Association for Commonwealth Literature and Language Studies. Conference, 2008 The articles investigate representations in literature both by the colonizers and colonized Many deal with the effect the dominant culture had on the self image of native inhabitants They cover areas on all continents that were colonized by European countries

**The Oxford Handbook of Modern Irish Poetry** Fran Brearton, Alan Gillis, 2012-10-25 The *Oxford Handbook of Modern Irish Poetry* consists of 40 essays by leading scholars and new researchers in the field Beginning with W B Yeats the figure who towers over the century's poetry it includes chapters on the major poets to have emerged in Ireland over the last 100 years

[Irish Poetry: Politics, History, Negotiation](#) S. Matthews, 1997-04-12 The award of the 1995 Nobel Prize for Literature to Seamus Heaney recognized not only the aesthetic achievement of his work but also its political urgency Here Steven Matthews presents a genealogy of Irish poetry which centres upon Heaney's recent preoccupation with the relations between poetry politics and history Writing from the perspective of Irish critical responses to the poetry he discusses a wide range of work from John Hewitt through Heaney himself to Paul Muldoon All of these poets have been inspired directly or indirectly by the situation in the North of Ireland Placing the poems in their historical context the author also analyses how these poets have reacted to the influence of W B Yeats This important book offers a new approach to Irish poetry linking it for the first time to the crucial political and historical events which lie at its centre

[Contemporary Irish Poetry](#) Elmer Andrews, 2016-04-30 Contains 14 essays dealing with the poetry that has come out of Ireland since the mid 1960s The first half of the book is devoted to general issues and themes and takes account of the interrelationships of contemporary Irish poetry The second half concentrates on the work of

individual poets *Irish University Review*, 2003 A journal of Irish studies *Tradition and Dissent* J. Davis  
McCaughey, 1997 In this collection of his speeches and addresses Dr Davis McCaughey challenges our perceptions of what tradition and dissent mean to each of us Freedom to dissent is part of the tradition that we have inherited Dr McCaughey surveys our inherited traditions including that of the Crown discusses the meaning of the freedom to and the present need for dissent and discourses on topics such as accountability in learned institutions and universities and ethical issues such as euthanasia and responsibilities in a nuclear age Dr McCaughey's observations are illuminating and engaging intelligent and critical encouraging and challenging He writes with authority and wisdom on matters of vital importance for our national self understanding In speaking at the commemorations for many notable traditionalists and dissenters among them intellectual and social leaders of Australia and in Anzac Day addresses Dr McCaughey reminds us of the continuing need to honour and support those among us who see the need for both tradition and dissent **Begin** Brendan Kennelly, 1999 Though we live in a world that dreams of ending that always seems about to give in something that will not acknowledge conclusion insists that we forever begin So ends Brendan Kennelly's poignant cry for renewal Begin the seed of this new collection of echoing poems Kennelly has listened to the voices of poems written over forty years to assemble a living testament to the redeeming power of poetry making connections across time in his work and with the world setting up reverberations where there was only the consolation of ordinary emptiness As in Cromwell and The Book of Judas those voices include some we might not think we want to hear from the likeable bus driver who'd been a Black and Tan to the man mirroring evil of the man obliterating bomb In poems about ignorance and learning the good and the bad men and women the Dubliners he's known and the country people he grew up with politicians and killers with causes Kennelly hears echoes of violence childhood love history hurt and laughter but with recurring hints of some hope in self renewal and with each poem setting off echoes of further echoes Like all writers who take risks with life and language he returns obsessively to saints and sinners madness and appearances desolation and decency For Brendan Kennelly a lifelong teacher echoes are a kind of education Education is as much a matter of crafty concealment and manipulation as it is of stylish accent and sophisticated expression It's amazing the way ignorance hatred and prejudice endure and thrive under the educated skin So much civilised living is an educated skin We should be careful how and where we scratch Sophocles' Antigone Brendan Kennelly, 1996 After the death of Oedipus his sons turn on each other When both are killed the inflexible Creon becomes King of Thebes While the loyal Eteocles is buried with due honour Creon orders that the body of his rebellious brother Polyneices should be left to rot But his sister Antigone refuses to let this happen Sophocles' great play dramatises the resulting conflict a battle of wills which leads to inevitable tragedy Antigone was a set text on the new Leaving Certificate syllabus in Ireland This edition includes short essays by Brendan Kennelly Terence Brown and Kathleen McCracken This edition is now out of print but it is included in full in *When Then Is Now Three Greek Tragedies* *Dubliners* Katie Donovan, Brendan Kennelly, 1996 Dublin has been

called the centre of the paralysis of the Universe the second city of Empire Scandaltown Strumpet City a series of accidental encounters the largest village in Europe the shy home of Molly Malone and occasionally the capital of Ireland Although Dublin has had a history that encompasses a huge range of human experience Dublines is not a conventional historical presentation of the city s fascinating character it is more a series of pictures and a choir of voices that together form a complex portrait of the city from its venomous wit to its instinctive warm heartedness from its sick congestion to the expansive visions and statements of many of its sons and daughters Questions implied in Dublines include To what extent is Dublin still a little London Is it in some ways a post colonial parody of a genuine Irish city Is it severed from the rest of Ireland smugly unaware in its conscious and unconscious egotism condescending even when its mediocrity is obvious Or has it a character all its own This anthology has been compiled not in a spirit of judgement but in a spirit of fair mindedness In other words readers of this book will when they ve read it have their own view of Dublin through the ages and the rages the poverty power opulence elegance ugliness congestion gossip disease beggary nightmares revolutions and renewals of the city Stodgy chronology is bypassed and a system of contrasts and comparisons startling affinities and shocking oppositions is used to let the pictures and voices of Dublin have their say The structure of the book re flects the relentless scintillating talk chat and gossip of the city Here are Dublin s voices of the centuries novelists poets talkers dramatists historians wanderers anecdotalists tourists short story writers and chroniclers of all kinds Dublin is a city that produces and cherishes its famous characters but the most enduring character of all is Dublin herself Every Dub is Dublin s leading authority on Dublin To avoid arguments neither of the editors of Dublines is from Dublin but both have lived in the city for most of their lives Brendan Kennelly a Kerryman is one of Ireland s best known poets and Professor of Modern Literature at Trinity College Dublin Katie Donovan poet critic and Dublin journalist is from Wexford First word on this book from a Dub friend of theirs Sure what would a pair o culchies know about Dublin Yez are only a pair of blow ins Read on for their answer

**Toward an Aesthetics of Blindness** David Feeney,2007 Blindness has always fascinated those who can see Although modern imaginative portrayals of the sightless experience are increasingly positive the affirmative elements of these renderings are inevitably tempered and problematized by the visual predilections of the artists undertaking them This book explores a variety of the dis continuities between depictions of the sightless experience of beauty by sighted artists and the lived aesthetic experiences of blind people It does so by pressing a radical interdisciplinary reinterpretation of celebrated dramatic portrayals of blindness into service as a tool with which to probe the boundaries of the capacities of the sighted imagination while exploring the sensory detriment of our visually fixated notions of beauty Works by J M Synge W B Yeats and Brian Friel are explored as a means of crafting a workable and innovative medium of theoretical and experiential exchange between the disciplines of literature aesthetics and disability studies In addition to appraising previously unexamined aspects of the work of three of Ireland s most celebrated modern dramatists this book considers the consequences for blind people of the

exclusionary and prohibitive elements of traditional aesthetic theory and art education The insights yielded will be of value to those with an interest in modern literature differential aesthetics visual culture perception and the experience of blindness

**The Kerry Anthology** Gabriel Fitzmaurice,2000 This anthology represents the broad sweep of Kerry writing thought and culture from the earliest written references to works published in 2000 It covers two millennia of writing from fiction to non fiction history folklore prose and poetry *Sharp Study and Long Toil* ,1995 **The Penguin Book of Contemporary Irish Poetry** Peter Fallon,Derek Mahon,1990 An anthology of the work of 30 contemporary Irish poets beginning with poets of the 1950s generation The selection includes poetry from the north of Ireland in the 1960s and 1970s **The Poetry Review** ,1991 **Irish Americans** Richard Demeter,1999 **Martial Art** Brendan Kennelly,Martial,2003 The Roman satirist Martial is brought up to date by a partner in mischief in Kennelly s *Martial Art* In brief punchy poems he tries to define happiness with candour and playful compassion BOOK JACKET *The Little Book of Judas* Brendan Kennelly,2002 The *Book of Judas* Brendan Kennelly s 400 page epic poem in twelve parts was the number one bestselling book in Ireland The *Little Book of Judas* is a distillation of that literary monster purged to its traitorous essence But Judas never goes away He continued to worm his way into Kennelly s imagination long after the original book was finished and *The Little Book of Judas* includes some damning new revelations from the eternal scapegoat and outcast Not merely lost but irredeemable Kennelly s bitterly articulate Judas speaks dreams and murmurs of past and present history and myth good and evil of men women and children and of course money until we realise that the unspeakable perpetrator of the apparently unthinkable in penetrating the icy reaches of his own world becomes a sly many voiced critic of ours **Glimpses** Brendan Kennelly,2001 In a frantic world a momentary glimpse can spark a sudden flash of insight With their quickfire wit and timeless wisdom these short poems are as quizzical and unsettling like riddles or epigrams When lightning flashes the graveyard dances In *Glimpses* Brendan Kennelly opens his eyes and ours to the world and times we rush through without looking In a frantic world the momentary glimpse can spark a sudden flash of insight With their quickfire wit and timeless wisdom his glimpse poems are short quizzical word creatures in the tradition of riddles epigrams and proverbs Sublime or profane joyous or crazily raucous Kennelly s vivid glimpses have a life of their own leaping beyond the words used to summon them up on the page When lightning flashes the graveyard dances
