A Bend In The River

Henry Howe

A Bend In The River:

A Bend in the River V. S. Naipaul, 2018-08-21 In the brilliant novel The New York Times V S Naipaul takes us deeply into the life of one man an Indian who uprooted by the bloody tides of Third World history has come to live in an isolated town at the bend of a great river in a newly independent African nation Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions

A Bend in the River V. S. Naipaul, 2002 Set in an unnamed African country the book is narrated by Salim a young man from an Indian family of traders long resident on the coast He believes The world is what it is men who are nothing who allow themselves to become nothing have no place in it So he has taken the initiative left the coast acquired his own shop in a small growing city in the continent s remote interior and is selling sundries little more than this and that really to the natives This spot this bend in the river is a microcosm of post colonial Africa at the time of Independence a scene of chaos violent change warring tribes ignorance isolation and poverty And from this rich landscape emerges one of the author s most potent works a truly moving story of historical upheaval and social breakdown

A Bend in the River Vidiadhar Surajprasad Naipaul, 1979 After a recent civil war a country in the interior of Africa is under a new President whose insane energy and crudity have made his power felt everywhere including an isolated village at a bend in the river
