

A Call to Faithfulness

**“FAITHFULNESS TO GOD MAKES ONE BOLD
BEFORE THE THRONE OF THE ALMIGHTY.”**

Saints of the Living God, faithfulness to God strips the devil and his cohorts of any credibility of substance. The Lord God Almighty is the faithful God and has commanded us to be faithful too in all our endeavours for His kingdom.

It's imperative for us to remember that because of God's faithfulness to Israel:

- Israelites came out of Egypt after 430 years
- Israelites crossed the Red Sea as a dry ground
- Israelites crossed the River Jordan as a dry ground
- He provided the Israelites with manna from heaven
- He provided the Israelites with water from the Rock
- He provided the Israelites with pillar of cloud in the day
- He provided the Israelites with pillar of light in the night

This same God never changes. He will provide all our needs in this generation because of His faithfulness.

This book that you are holding now will create in you the hunger to remain faithful. It will enable you to understand God's faithfulness, how to serve God in faithfulness, faithfulness in preaching and how to remain faithful in this corrupt world.

The book also explains Christian discipline and faithfulness, faithfulness and commitment with divine exhortation not to quit from our God-given guard posts.

**THE CALL TO FAITHFULNESS IS A CLARION CALL
BE FAITHFUL UNTO DEATH FOR THE GLORY OF GOD.**

[A Call to Excellence](#) Homer G. Rhea,1998 **In Search of Faithfulness** William E. Diehl,1987 [Rediscovering Faithfulness](#) Kenneth W. M. Wozniak,2024-07-09 What does faithfulness mean for modern Christians who find themselves immersed in a social and moral context two millennia removed from that of Jesus As a notion endorsed by Christians universally irrespective of church tradition geographic location economic and political milieu or spiritual experience faithfulness is essential to mature Christian living Yet many in the modern church have lost or perhaps forgotten the true nature of faithfulness and thus have wandered from that which God envisages for believers Rediscovering what faithfulness entails however is altogether possible Theological ethicist Kenneth W M Wozniak takes the reader on a journey of encounter looking to the earliest Christians and their understanding of fidelity to the way of Jesus as a model for believers today and as the means by which the essence of faithfulness rooted not in adherence to a performance standard but rather in personal cultivation of the divine character the Jesus way not only can be discovered but also embraced and enjoyed by the one who aspires to align with the very being of God [Martin Luther King, Jr., and the Theology of Resistance](#) Rufus Burrow, Jr.,2014-11-19 It has been nearly fifty years since Martin Luther King Jr was assassinated at the Lorraine Motel in Memphis Tennessee Appraisals of King s contributions began almost immediately and continue to this day The author explores a great many of King s chief ideas and socio ethical practices his concept of a moral universe his doctrine of human dignity his belief that not all suffering is redemptive his brand of personalism his contribution to the development of social ethics the inclusion of young people in the movement sexism as a contradiction to his personalism the problem of black on black violence and others The book reveals both the strengths and the limitations in King s theological socio ethical project and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world Instructors considering this book for use in a course may request an examination copy here **The Standard** ,1901 **The Gospel Trumpet** ,1920 **Engage/social Action** ,1986 **What the Spirit Saith to the Churches** James Norman King,1916 *The Books of Isaiah and Jeremiah* Alexander Maclaren,1910 **The Ely diocesan remembrancer** Ely diocese,1906 **Paul's Use of the Old Testament in Romans 9.1-9** Brian J. Abasciano,2006-02-07 This investigation builds upon recent developments in the study of Paul s use of Scripture that center around the concept of intertextuality Abasciano uses an exegetical method that incorporates into a thorough traditional exegesis a comprehensive analysis of Paul s use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul s citations and allusions Such an intertextual exegesis is conducted in Romans 9 1 9 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole The study finds that many of the themes Paul deals with in Romans 9 11 are also present in ancient Jewish and Christian interpretive traditions surrounding the passages he invokes and more importantly that Paul s scriptural quotations and allusions function

as pointers to their broad original contexts from which he developed much of the form content and direction of his argument holding significance for a number of exegetical details as well as broader themes and rhetorical movements The final chapter seeks to draw conclusions concerning the significance of Paul s use of the Old Testament in Romans 9 1 9 for the exegesis and theology of Romans and for Pauline intertextuality The identity of the true people of God is central to Romans 9 11 and the epistle And Paul s use of Scripture is contextual and referential calling for attention to Pauline intertextuality in standard exegetical procedure JSNTS 301
