## A Captive Conscious:

A Captive Conscious D. Max Kinsley,2001      A Captive Conscious D. Kinsley,2001-01-01      **Acts of Consciousness**  
Guy Saunders,2014-05-22 An original book about consciousness which draws on interviews with former captives thought  
experiment stories and treatments in the arts      Dreams, Consciousness, Spirit Ernest Lawrence Rossi,2000 Rev ed of  
Dreams and the growth of personality 2nd ed c1985      **Radical Passivity** Benda Hofmeyr,2009-01-21 Levinas s ethical  
metaphysics is essentially a meditation on what makes ethical agency possible that which enables us to act in the interest of  
another to put the well being of another before our own This line of questioning found its inception in and drew its  
inspiration from the mass atrocities that occurred during the Second World War The Holocaust like the Cambodian genocide  
or those in Rwanda and Srebrenica exemplifies what have come to be known as the never again situations After these events  
we looked back each time with varying degrees of incomprehension horror anger and shame asking ourselves how we could  
possibly have let it all happen again And yet atrocity crimes are still rampant After Rwanda 1994 and Bosnia Herzegovina  
1992 1995 came Kosovo 1999 and Darfur 2003 In our present day world hate crimes motivated by racial sexual or other  
prejudice and mass hate such as genocide and terror are on the rise think for example of Burma Zimbabwe Sri Lanka and  
North Korea A critical reevaluation of the conditions of possibility of ethical agency is therefore more necessary than ever This  
volume is committed to the possibility of never again It is dedicated to all the victims living and dead of what Levinas calls  
the sober Cain like coldness at the root of all crime against humanity as much as every singular crime against another human

of their feelings later in life *Essays in Aesthetics* is a provocative collection that explores the nature of art and its meaning
