A Child Again

Thalia Brookstone

A Child Again:

The Moments That Feel Like Being a Child Again Thalia Brookstone, 2026-01-28 Emotional flashbacks don't announce themselves. There's no clear memory, no obvious trigger. You just suddenly feel small, powerless, or overwhelmed in ways that don't match what's actually happening. Your body responds to the present as if it's the past. A tone of voice, a feeling of exclusion, a moment of criticism, and you're back in emotional territory you thought you'd left behind. This book explores why emotional flashbacks happen, examining how the nervous system stores childhood experiences not as narrative memory but as felt sense. It draws on trauma research and attachment theory to explain why certain situations activate old survival responses, why you might feel shame or terror that seems disproportionate, and why logical understanding doesn't always change emotional reaction. Rather than pathologizing these responses or demanding you get over the past, it examines what happens when childhood coping strategies persist into adulthood. It explores the gap between intellectual awareness and somatic response, recognizing that your body remembers what your mind has forgotten and that intense reactions aren't overreactions but old protections still running in the background. For those who've felt confused by their own emotional intensity, who recognize patterns but can't seem to change them, or who wonder why certain situations feel unbearable, this book offers clarity about how the past lives in the present and what that means for healing. *Make Me A Child Again* Amit Bansal, 2022-06-15 The young innocent village sheep is faced with dangerous animals in the forest. Will she make it out alive? A family must rescue their little daughter who is in the clutches of the Frozen Witch. A hungry ghost wants to eat up Ramesh, and only his wits can save him. Will Papa Bear be able to reunite the little monkey with his kidnapped parents? Discover the answers to these questions and more as you embark on a delightful journey in this collection of fascinating tales. On this roller coaster magical journey, you will encounter Witches and Wizards, thrills and adventure, and twists and turns. Be ready to fall in love with memorable characters and the charming world they live in. A story book like no other, which children of all ages will enjoy. *A Child Again* Robert Coover, 2005 Robert Coover, one of the true revolutionaries in American fiction, presents a new collection of short stories revealing the cruelty of puppets, the perfection of a jigsaw puzzle, and the loneliness of the invisible man. Outlandish and precise, menacing and humane, this collection finds new life in our oldest tales. BOOK JACKET **The Housewife**, 1886 *The Sunday at Home*, 1896 **The American Journal of the Medical Sciences**, 1885 **The Southern Educational Journal**, 1897 *Transactions* American Association for the Study and Prevention of Infant Mortality, 1915 *The Atlantic Monthly*, 1902 *American Magazine*, 1912 *The Banner of Gold*, 1896 **The Parliamentary Debates (official Report)**. Great Britain. Parliament. House of Lords, 1926.
