A Shower Of Summer Days:

A Shower of Summer Days May Sarton, 1979 At long last in early June the Gordons were expected home at Dene s Court the house in Ireland which Violet Dene Gordon had inherited So begins May Sarton s evocative early novel about Violet Gordon s return after thirty years to her childhood home where much had to be settled in one brief summer fateful decisions about a marriage a love affair and a career No influence was more important than the splendid old Dene s Court itself and the memories it held

A Shower of Summer Days May Sarton, 2014-12-16 National Book Award Finalist A couple returns to an Irish village after years away in this novel by the New York Times bestselling author of *As We Are Now* The Irish estate home Dene s Court has been empty for years its icy visage shuttered windows and overgrown tennis court are a burden for its caretakers and a curiosity for the nearby townspeople And so the announcement that Violet Dene Gordon and her husband Charles are on their way back from British Burma to settle in the long dormant estate sends a ripple of excitement through the sleepy village For Violet Dene s Court stands as a monument to her childhood but lingering doubts remain about whether she and Charles will be happy there Adding complexity to the arrangement is the arrival of Violet s American niece a college student named Sally who has been sent by her mother in an effort to put an ocean between the impetuous young woman and the object of her affection an actor Anxiety tempers and long buried emotions flare as the estate s new residents search for a sense of belonging and peace between its hallowed and serene walls

Long Summer Day R. F. Delderfield, 2014-07-22 A great read for fans of PBS s *Poldark* and *Downton Abbey* first in the saga of a man returning from battle to an estate in the pre WWI English countryside After serving his country in the Boer War injured Lieutenant Paul Craddock returns to England to resume civilian life But things have changed since he joined the Imperial Yeomanry three years ago His father has died leaving Paul as heir to a scrap metal business he has no intention of continuing Instead he purchases an auctioned off thirteen hundred acre estate in a secluded corner of Devon Neglected and overgrown Shallowford becomes the symbol of all that Paul has lost and a reminder of the gentle place his homeland once was And here on this sprawling stretch of land he will be changed by his love for two women fiercely independent Grace Lovell and lovely demure Claire Derwent Set in the English countryside in the first part of the previous century from the long Edwardian afternoon following the death of Queen Victoria to the gathering storm of World War I *Long Summer Day* is the story of a man his family and a people struggling to adapt to life in a new world *Long Summer Day* is the first novel in R F Delderfield s saga *A Horseman Riding By* which continues with *Post of Honour* and *The Green Gauntlet*
