**A Singular Life.** By Elizabeth Stuart Phelps, 2017-09-19 *A Singular Life* is a novel published in 1895 by Elizabeth Stuart Phelps Ward. It was first published in serial form in *The Atlantic Monthly* from January through October 1895 and published in novel form in late 1895. It was the fourth highest best-selling book in the United States in 1896. The book was published in a period when Americans were exploring how the teachings of Jesus Christ could be applied to daily life. Several books considering the question were published in the 1890s. *A Singular Life* in this vein features a protagonist named Emanuel Bayard, who pursues Jesus-inspired humanitarianism by forsaking ties to his orthodox church. Among Bayard's projects is positively influencing a prostitute named Magdalena or Lena to become more respectable and use her talent for singing for a better purpose. When he suggests she pursue a new career, specifically household service, she balks and refuses the stereotypical domestic role and instead works for a gunpowder factory.

The Visual Afterlife of Abdelkader Bennahar Robert Desjarlais,2025-08-29 Robert Desjarlais explores the life and death of Abdelkader Bennahar an Algerian man who died on the outskirts of Paris in October 1961 in order to show how French colonial state and police violence shaped the lives and deaths of Algerians **The Midland Monthly** ,1895 **Life** John Ames Mitchell,1896 A Consuming Faith Susan Curtis,2001 In A Consuming Faith Susan Curtis analyzes the startling convergence of two events previously treated independently the emergence of a modern consumer

oriented culture and the rise of the social gospel movement By examining the lives and works of individuals who identified themselves as social gospelers rather than just groups or individuals who fit a particular definition Curtis is able to capture the very fluidity of the term social gospel as it was used In addition to exploring the time in which the movement took shape Curtis provides biographical sketches of traditional figures involved in various aspects of the social gospel movement such as Walter Rauschenbusch Washington Gladden and Josiah Strong alongside those of less prominent figures like Charles Jefferson Elizabeth Stuart Phelps and Charles Macfarland Going beyond their roles in the movement Curtis shows them to be sons and daughters husbands and wives and workers and citizens who experienced the vast changes in their world wrought by industrialization and class conflict even as they sought to define a meaningful religious life The result of their quest was a redefinition of Protestantism that contributed to an evolving public discourse and culture This groundbreaking study now with a new preface by Curtis provides an illuminating look at culture and religion as interdependent influences and treats religious life as an integral part of American culture not a sacred world apart from the secular A Consuming Faith will be of interest to anyone who strives to understand not only the social and cultural history of America in the late nineteenth and early twentieth centuries but also the origins of modern America
