**A Special Valor** Richard Wheeler,2013-11-15 If the U S Marines gave birth to a legend in the halls of Montezuma in the nineteenth century they added glorious luster to it with their heroism and victories against the Japanese in World War II For this vivid foxhole view of the Marines war Richard Wheeler draws extensively on frontline eyewitness accounts of Marines and combat journalists and backs up their stories with official U S action reports and captured Japanese materials First published in 1983 the book has earned praise as a popular one volume history of all the battles fought by the Marine Corps in the Pacific campaign The book describes in fascinating and exciting detail the heroic defense of Wake Island against an overwhelming enemy assault force It traces the long bloody battle for Guadalcanal that brought the Marines their first victory and gave America and its allies control of the strategically important Soloman Islands It follows the painful island by island counterattack toward the Japanese homeland when the Marines created new legends at such places as Bougainville Saipan Tarawa Guam Iwo Jima and Okinawa Here are the remarkable exploits of the Marines holding off Japanese assault waves at Heartbreak Ridge storming across coral reefs and struggling up the slopes of Mount Suribachi to raise the Stars and Stripes Some sixty five photographs enhance the book which is now available in paperback for the first time *Special Warfare* ,2011 **General and Special Laws of the State of Texas** Texas,1907 *General and Special Laws* Texas,1909
