A Supernatural Life:

School of the Supernatural Ryan Wyatt, 2011-04-19 Your spiritual glass is half empty if your Christian life consists only of good theology good works and just attending church without a truly supernatural lifestyle Many believers even those who are Spirit filled cannot claim to possess a fully supernatural life Happy with an occasional taste of Heaven they assume that such a goal is out of reach In this well written and easy to understand manual author Ryan Wyatt explains the interplay of the physical and spiritual worlds in a fresh way that shows you beyond doubt that a supernatural lifestyle is available to you as well

Living a Supernatural Life James W. Goll, 2013-09-23 Looking for Signs of Life Believers around the world are experiencing God's kingdom in a real and transformative way through the supernatural power of the Holy Spirit working in and through their lives Yet some are uncertain about the purpose of signs wonders and miracles in our modern age of doubt Living a Supernatural Life is a guide to understanding the Spirit's power in our time and a handbook for participating in His work This book is a challenge to all believers to become more like Jesus in character and action totally dependent on the Holy Spirit By living as Jesus did you will witness the light of God's Spirit defeating the darkness often in miraculous ways Find out how to live in the reality of the supernatural realm attuned in mind and heart to God's kingdom coming in power through the Holy Spirit living in you

Living a Supernatural Life Pst Michael Folorunso Olumbo D Phil, 2008-04-10 This second volume of the book Living a Supernatural Life shows that you are a supernatural being and you should be living a supernatural life here on earth This book gives some of the reasons why the average Christian is not living the supernatural life that God expects of him It discusses what the believer must be and do in order to be able to live a supernatural life here on earth The book looked at the Name of Jesus and its importance especially in the use of the Name for performing supernatural acts In particular the two instructions that Jesus gave as promises concerning using His Name to ask was looked at and it was shown that most of us Christians today are not following the instructions that Jesus gave correctly and that is the reason why we are usually not successful in getting what we asked for The book explains what we need to do to be able to release the supernatural in our lives In the book it was shown and proved that when we give commands the fulfillment of our commands are immediate It is the manifestation that takes time and it is during the period of waiting for the manifestation that doubt enters into most of us Christians The book also shows us that the vehicle for the release of the supernatural is our mouth and that is why a Christian must be a loud speaker of the Word of God Closed mouth Christians cannot release the supernatural acts Another point that was covered in detail in the book is the way Satan environment and tradition build up strong holds in our minds with the thoughts that come to our minds The book showed how these are developed and how to pull them down with the Word of God Several examples of such strong holds and the Word of God to pull them down are given in the book The book shows that if we are to be able to live a supernatural life here on earth then we must learn to see the invisible and fix our eyes on the invisible How to do this is discussed in detail in the book
