A Tattered Coat Upon A Stick:

The Last Minstrels Ronald Schuchard,2008-02-28 Recovering a lost literary movement that was the most consuming preoccupation of W B Yeats s literary life and the most integral to his poetry and drama Ronald Schuchard s The Last Minstrels provides an historical biographical and critical reconstruction of the poet s lifelong attempt to restore an oral tradition by reviving the bardic arts of chanting and musical speech From the beginning of his career Yeats was determined to return the living voice of the poet from exile to the centre of culture on its platforms stages and streets thereby establishing a spiritual democracy in the arts for the non reading as well as the reading public Schuchard s study enhances our understanding of Yeats s cultural nationalism his aims for the Abbey Theatre and his dynamic place in a complex of interrelated arts in London and Dublin With a wealth of new archival materials the narrative intervenes in literary history to show the attempts of Yeats and Florence Farr to take the new art of chanting to Great Britain America and Europe and it reveals for the first time the influence of their auditory poetics on the visual paradigm of the Imagists The penultimate chapter examines the adjustments Yeats made for his movement during the war including chanting and other adaptations from Noh drama for his dance plays and choruses until the practice of his unfashionable art became dormant in the 1920s before the restless rise of realism The final chapter resurrects his heroic effort in the 1930s to reunite poetry and music and reconstitute his dream of a spiritual democracy through the medium of public broadcasting

Designing Displays for Older Adults, Second Edition Anne McLaughlin,Richard Pak,2020-05-05 This book focuses on the design of displays and user interfaces for the older user Aging is related to complex mental physical and social changes While conventional wisdom says getting older leads to a decline the reality is that some capabilities decline with age while others remain stable or increase This book distills decades of aging research into practical advice on the design of displays Technology has changed dramatically since the publication of the first edition This new edition covers cutting edge technology design such as ubiquitous touchscreens smart speakers and augmented reality interfaces among others

Unlocking the Poetry of W. B. Yeats Daniel Tompsett,2018-06-13 Unlocking the Poetry of W B Yeats undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art
