The New Russian Book Birgitte Beck Pristed, 2017-08-01 This book takes up the obtrusive problem of visual representation of fiction in contemporary Russian book design By analyzing a broad variety of book covers the study offers an absolutely unique material that illustrates a radically changing notion of literature in the transformation of Soviet print culture to a post Soviet book market It delivers a profound and critical exploration of Russian visual imaginary of classic popular and contemporary prose Among all the carelessly bungled covers of mass published post Soviet series the study identifies gems from experimental designers By taking a comparative approach to the clash of two formerly separate book cultures the Western and the Soviet that results both in a mixture of highbrow and lowbrow forms and in ideological re interpretations of the literary works this book contributes to opening an East West dialogue between the fields of Russian studies contemporary book and media history art design and visual studies *NIV, Holy Bible, Larger Print, Paperback* . Kerouac's life they were in Holmes's words *Brother Souls*. Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction. Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them. *Brother Souls* John Clellon Holmes, Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes. From 1948 to 1951 when Kerouac's wanderings took him back to New York he and Holmes met almost daily. Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes's manuscript for the novel. Go as they left the typewriter. With the pages of Holmes's final chapter still in his mind he was at last able to crack his own writing dilemma. In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of *On the Road*. Biographer Ann Charters was close to John Clellon Holmes for more than a decade. At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters, journals and manuscripts Holmes had been keeping for twenty-five years. In that mass of material waited an untold story. These two ambitious writers, Holmes and Kerouac, shared days and nights arguing over what writing should be, wandering from one explosive party to the next and hanging on the new sounds of bebop. Through the pages of Holmes's journals often written the morning after the events they recount, Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation: Holmes, Kerouac, Neal Cassady, Allen Ginsberg, William Burroughs, Gregory Corso and their friends and lovers. *The People's Almanac* David Wallechinsky, Irving Wallace, 1975 **Berv (Paperback)** Authentic N/A, 2006-12-31 This book based on the 2006 Didsbury Lectures is the first comprehensive study of the systematic doctrinal and constructive theology produced within the major Nonconformist traditions: Congregational, Baptist, Presbyterian, Unitarian, Methodist and United Reformed during the twentieth century. In the first chapter the landscape is surveyed with reference to such topics as the New Theology, the First World War, the reception of Karl Barth, the theological excitements of the 1960s and pluralism. The second chapter concerns the major Christian doctrines: God, Christ, the Holy Spirit and the Trinity, while in the third ecclesiological and ecumenical themes are discussed. Eschatology is treated in the concluding chapter and there follows the author's assessment of the significance of twentieth-century Nonconformist theology and his observations regarding its current state, future content and practitioners.
