

# the sky

he asked of me why it was raining  
he asked was it tears from the sky  
and I replied yes, that this was the case  
that even the heavens can cry

he asked of me what was the thunder  
he said it was hurting his ears  
and I explained sometimes, even the clouds  
need to scream so that somebody hears

he asked of me what was the wind and why  
was it whirling and swirling around  
so I told him that even the sky takes deep breaths  
when it's trying to calm itself down

but often we keep our tears secret  
and we swallow our own cries for help  
and we think that we're weak to be catching our breath  
so we don't let our struggles be felt

and yet if the clouds never emptied  
and the sky never screamed through the storm  
it would sit growing darker and darker until  
it was simply no use to us all

so throw all your fears to the wind dear  
and toss all your tears to the clouds  
and you will discover the infinite power  
the heavens hold over the ground

see it's normal and natural to struggle  
and it's healthy and human to cry  
and if anyone questions your power my darling  
just tell them it's matched by the sky
