## **Beginners Russian Script:**

**Beginner's Russian Script** Daphne M. West,2003 Starting from scratch this guide teaches you how to read and write the Russian alphabet correctly from the beginning It will enable you to understand enough from signs directions instructions and menus to be able to get by on your next visit to Russia or to take your study of the language further The book is divided into different sections Units one to four introduce you to the letters of the printed alphabet step by step with exercises to practise each new point In these units each new Russian word will also be transliterated so that you can practise saying the words as well as reading and writing them The fifth unit is a revision unit so that you can review what you have learnt and go back over any areas of difficulty In units six and seven you will learn how to read and write the handwritten Russian script Finally in units eight to ten you will be given practice on specific topics town and transport hotel and restaurant and hobbies By the end of the book you should be able to understand how the Russian script works and will have mastered the basic of reading and writing Russian

**Teach Yourself Beginner's Russian Script** Daphne West,2003-07-03 Now learning non Roman alphabet languages is as easy as A B C Readers wanting to learn the basics of reading and writing a new language that employs script will find all they need in the Teach Yourself Beginner s Script series Each book includes a step by step introduction to reading and writing in a new language as well as tips and practice exercises to build learners skills Thanks to the experts at Teach Yourself script will no longer be all Greek to language learners unless of course it is Greek script Teach Yourself Beginner s Script series books feature Origins of the language A systematic approach to mastering the script Lots of hands on exercises and activities Practical examples from real life situations [Teach Yourself Beginner's Russian](#) Rachel Farmer,2003 If you really want to learn Russian but are daunted by the prospect of complicated grammar classes and coursebooks this book starts right from the beginning and explains everything in simple English There are hints throughout to make learning easy and you can learn at your own pace with plenty of practice of each new point It should help you to understand and speak Russian sufficiently well to function effectively in basic everyday situations The course also offers an insight into Russian culture Russian alphabet Units 3 10 cover the basic structures and grammatical points needed in everyday situations Units 12 20 teach you how to cope with practical everyday situations such as eating out travelling and making a phone call This offers the opportunity to put into practice and consolidate the language you have learnt in the first ten units Unit 11 is a special unit designed to give you the chance to find out something about the handwritten Russian script and to write it down if you choose If you would rather miss this unit out and concentrate on reading speaking and listening you can do so without it affecting your understanding of the other units By the end of the course you should be able to communicate in a variety of real life situations and have all the practical information you need to enjoy your next trip to Russia Two accompanying cassettes or CDs are available separately or in a pack with the book **Beginners' Russian** Rachel Farmer,2026-01-20 Learn to speak read write and understand Russian Love Travel Study Work Friendship whatever
