before heating it This is a method practiced in many parts of the East and in many ancient cultures but when we have traditional recipes not asking for so much of exertion on our parts through using a pestle and mortar why bother In Elizabethan times and even before that jams were eaten with a spoon on special occasions in the form of conserves That was because sugar was so rare that it was considered to be to be a luxury Oliver and his friends singing about Food Glorious Food dreamt of jam jelly and custard Of course they had never tasted these delicacies being inmates of an orphanage where they would be fed just porridge stale bread and soup morning evening and night Fresh fruit no they did not taste it But we have plenty of access to fresh fruit and sugar So now we can start enjoying the flavor of fresh homemade jams marmalades and jellies right now
