GET SET FOR BEGINNING SKILLS SUCCESS presents activities designed to give an overview of the basic skills that a young child is expected to deal with at the preschool/kindergarten level. The activities are organized around four major areas:

Each set of skills-based activity pages is preceded by a parent/teacher section comprised of ideas and suggestions for working with the child, reinforced by independent projects, book lists, games and other enrichment activities. The fun and fancifully illustrated activity pages at the end of each section provide direct instruction in important skills areas.
