Deshpande,1996 Veteran Marathi playwright and Marxist intellectual G P Deshpande turns to India s ancient past to pinpoint the historical moment of empire in the context of the history of the subcontinent The central character of the play Acharya Chanakya Vishnugupta theoretician and strategist of state is perceived to be the force behind the rise of young Chandragupta Maurya from a mere rebel to the status of Emperor of Magadha What drives Chanakya is a historical vision He sees in Chandragupta the ideal vessel to carry out his theories of state and ruthlessly manipulates his young disciple to fulfil his grand vision of an all powerful empire the first centralized state As with all Deshpande s plays this is a fierce theatre of ideas in which the debate over concepts of state rages back and forth between the characters The questions raised in the process result in an investigation of history rarely undertaken in dramatic form This is political theatre in the true sense of the term The playwright s detailed introduction explores the ideas that went into the play his approach to the main characters and what they mean to him **Twist in the Folktale** Chandrasekhar Kambar,2004 Each of the playwrights in this collection takes a folktale and turns it into a contemporary experimental play intervening in the traditional material and reshaping conventions from an urban perspective Although the folk and rural element remain embedded in the body of the narratives it is interesting to note the shifts and intersections which occur in the process of rendering folklore as a present day performative text Jokumaraswami by leading Kannada playwright and poet Chandrasekhar Kambar is a vibrant earthy play which creatively reworks the folk myth of a phallic god of fertility into a powerfully contemporary anti feudal message Pebet is a folktale about a mother bird fighting to protect her children from a predatory cat politicized by H Kanhailal who transforms this familiar story into a struggle against the political and cultural colonization of Manipur Charandas Chor by veteran playwright director Habib Tanvir performed by Naya Theatre s Chattisgarhi folk artists is a contemporary Indian classic depicting the irrepressible folk hero and honest thief Charandas a Robin Hood figure who charms his way into everyone s heart **The India Magazine of Her People and Culture** ,1995 **Ford Foundation Annual Report** Ford Foundation,1992 The president s report to the trustees and statement of grants Kirwant Premānanda Gajvī,2005 Premanand Gajvee tells the story of a little known sect of brahmans known as kirwants whose religious duty is to perform the last rites at cremations Marginalized by the entire community in general and the brahmans in particular kirwants are treated like polluting outcastes Based on personal experience that occurred as recently as the 1980s this play which deals savagely with a subject carefully kept under wraps is a severe indictment of an inhuman social system Kirwant created a sensation in Marathi theatre scene when it was first produced One of the greatest actors of our theatre Sreeram Lagoo taking up the cudgels for a relatively unknown playwright offered to perform the lead role of the kirwant Siddheshwarshastri The text is supplemented with a preface by the playwright and a director s note by Shreeram Lagoo Award winning playwright
