**Begums, Thugs and White Mughals** Fanny Parkes Parlby, William Dalrymple, 2002 To read Fanny Parkes is to go as close as one can to early colonial India in all its violence and beauty The Feringhees Elizabeth Hamilton, 2016-01-21 A stiff upper lip steely eyes and a cold heart is often how the English imperialist is pictured in popular imagination Drawing from memoirs commentaries and family letters Elizabeth Hamilton brings forth an alternative portrayal of her ancestors Sir Robert Hamilton and Sir William Barton Their careers in India are set against the momentous events of their times to present a different side of the colonialists of a quiet people dedicated to the tradition of upholding the law and avoiding conflict Volume I The Proud Empire traces the life of Sir Robert Hamilton from the beginning of his career under the watchful eye of his father up until his retirement Occupying multiple roles such as the Resident of Indore and Agent to the Governor General in the Central Provinces he is seen interacting with various prominent Indian figures such as the Rani of Jhansi Tantya Tope and Nana Sahib The picture of the arrogant imperialist fades away to be replaced by that of someone keen to make a difference to the society he was working in who encourages good governance mends ties in the midst of escalating tensions and must recover cities occupied by insurgents all the while shadowed by the burden of great personal losses Volume II The Straight Race tracks Sir William Barton s career in the early twentieth century Starting in the Punjab and the North West Frontier he later served as Resident in the well administered states of Mysore and Hyderabad where he stood up to the Nizam doing his best to set the administration on a less corrupt footing Retirement did not deter Sir William s close interest in Indian affairs he returned twice on tour as an advisor to electrical companies and travelled with a Ministry of Supply mission during the Second World War With three books and many articles for newspapers and journals on the subject India remained an integral part of his life **Flora's Empire** Eugenia W. Herbert, 2012-01-31 Like their penchant for clubs cricket and hunting the planting of English gardens by the British in India reflected an understandable need on the part of expatriates to replicate home as much as possible in an alien environment In Flora s Empire Eugenia W Herbert argues that more than simple nostalgia or homesickness lay at the root of this garden imperialism however Drawing on a wealth of period illustrations and personal accounts many of them little known she traces the significance of gardens in the long history of British relations with the subcontinent To British eyes she demonstrates India was an untamed land that needed the visible stamp of civilization that gardens in their many guises could convey Colonial gardens changed over time from the garden houses of eighteenth century nabobs modeled on English country estates to the herbaceous borders gravel walks and well trimmed lawns of Victorian civil servants As the British extended their rule they found that hill stations like Simla offered an ideal retreat from the unbearable heat of the plains and a place to coax English flowers into bloom Furthermore India was part of the global network of botanical exploration and collecting that gathered up the world s plants for transport to great imperial centers such as Kew And it is through colonial gardens that one may track the evolution of imperial ideas of

governance Every Government House and Residency was carefully landscaped to reflect current ideals of an ordered society At Independence in 1947 the British left behind a lasting legacy in their gardens one still reflected in the design of parks and information technology campuses and in the horticultural practices of home gardeners who continue to send away to England for seeds Begums, Thugs and Englishmen Fanny Parkes Parlbay,2003 Fanny Parkes Who Lived In India Between 1822 And 1846 Was The Ideal Travel Writer Courageous Indefatigably Curious And Determinedly Independent Her Delightful Journal Traces Her Journey From Prim Memsahib Married To A Minor Civil Servant Of The Raj To Eccentric Sitar Playing Indophile Fluent In Urdu Critical Of British Rule And Passionate In Her Appreciation Of Indian Culture Fanny Is Fascinated By Everything From The Trial Of The Thugs And The Efficacy Of Opium On Headaches To The Adorning Of A Hindu Bride To Read Her Is To Get As Close As One Can To A True Picture Of Early Colonial India The Sacred And The Profane The Violent And The Beautiful The Straight Laced Sahibs And The More Eccentric White Mughals Who Fell In Love With India And Did Their Best Like Fanny To Build Bridges Across Cultures **Islam and The English Enlightenment** Zulfiqar Ali Shah,2022-06-02 Never before to my knowledge has the cross fertilisation of Western and Islamic ideas been so encyclopedically documented as it is here In reading Islam and the English Enlightenment you will never see the relationship between Islam and the West in the same way again ROBERT F SHEDI NGER Professor of Religion Luther College Dr Zulfiqar Ali Shah s Islam and the English Enlightenment is one of the most profoundly enlightening books I have read in years Dr Shah compellingly demonstrates that the thinkers of English Enlightenment were undeniably indebted to Islamic sciences and thought and that the foundational principles of rationalist thought scientific inquiry and religious toleration were deeply anchored in the Islamic tradition KHALED ABOU EL FADL Omar Azmeralda Alfi Distinguished Professor of Law UCLA School of Law This is a book that anyone interested in stepping outside a Eurocentric view of the rise of the West and of the modern age must read MICHAEL A GILLESPIE Professor of Political Science Philosophy Duke University Dr Shah convincingly demonstrates the central role that Islam played in shaping the values and ideas of the Enlightenment reformers such as John Locke and Isaac Newton who had helped to produce the modern world GERALD MACLEAN Emeritus Professor University of Exeter Journeying and Journalling Giselle Bastin,2010 In December 2004 the town of Penneshaw Kangaroo Island provided the backdrop for an international conference titled Journeying and Journalling The conference created a space for creative and critical meditations on travel writing Collectively the essays in this collection provide a snapshot of current directions and preoccupations in contemporary travel writing scholarship They function as a reminder of the work that has been done on representations of Indigeneity and of writing marginalised narratives into the travel canon However these chapters also remind us of the important work that remains particularly in relation to travel writing as form of reconciliation for example between Indigenous people and colonisers and between colonisers and neo colonials Scholars also bear the responsibility of considering the complexities of representing culture and place in a post colonial even post traumatic world
