Behavioral Origins Of War

Mark Crescenzi

Behavioral Origins Of War:

The Behavioral Origins of War D. Scott Bennett, Allan C. Stam III, 2009-04-09 The first thorough empirical appraisal of the different explanations for international conflict

What Causes War? Greg Cashman, 2013-07-29 Now in a thoroughly revised and updated edition this classic text presents a comprehensive survey of the many alternative theories that attempt to explain the causes of interstate war For each theory Greg Cashman examines the arguments and counterarguments considers the empirical evidence and counterevidence generated by social science research looks at historical applications of the theory and discusses the theory's implications for restraining international violence Among the questions he explores are Are humans aggressive by nature Do individual differences among leaders matter How might poor decision making procedures lead to war Why do leaders engage in seemingly risky and irrational policies that end in war Why do states with internal conflicts seem to become entangled in wars with their neighbors What roles do nationalism and ethnicity play in international conflict What kinds of countries are most likely to become involved in war Why have certain pairs of countries been particularly war prone over the centuries Can strong states deter war Can we find any patterns in the way that war breaks out How do balances of power or changes in balances of power make war more likely Do social scientists currently have an answer to the question of what causes war Cashman examines theories of war at the individual substate nation state dyadic and international systems level of analysis Written in a clear and accessible style this interdisciplinary text will be essential reading for all students of international relations

The Origin of War J. van der Dennen, 1995

American Behavioral History Peter N. Stearns, 2005-10 From his founding of *The Journal of Social History* to his groundbreaking work on the history of emotions weight and parenting Peter N Stearns has pushed the boundaries of social history to new levels presenting new insights into how people have lived and thought through the ages Having established the history of emotions as a major subfield of social history Stearns and his collaborators are poised to do the same thing with the study of human behavior This is their manifesto *American Behavioral History* deals with specific uses of historical data and analysis to illuminate American behavior patterns ranging from car buying rituals to sexuality and from funeral practices to contemporary grandparenting The anthology illustrates the advantages and parameters of analyzing the ways in which people behave and adds significantly to our social understanding while developing innovative methods for historical teaching and research At its core the collection demonstrates how the study of the past can be directly used to understand current behaviors in the United States Throughout contributors discuss not only specific behavioral patterns but importantly how to consider and interpret them as vital historical sources Contributors include Gary Cross Paula Fass Linda Rosenzweig Susan Matt Steven M Gelber Peter N Stearns Suzanne Smith Mark M Smith Kevin White

Reassessing Security Cooperation in the Asia-Pacific Amitav Acharya, 2007 Experts examine changing security arrangements in the Asia Pacific region particularly the rise of multilateral efforts at cooperative security

American Military History Daniel K. Blewett, 2009 In this companion

volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

Of Friends and Foes Mark Crescenzi,2018-01-25 Do reputations affect world politics Crescenzi develops a theory of reputation dynamics to identify when reputations form and how they affect world politics He identifies patterns of reputation s influence in cooperation and conflict Reputations for conflict exacerbate crises while reputations for cooperation and reliability make future cooperation more likely

War Crimes and War Crime Trials John C. Watkins,John Paul Weber,2006 This is both a casebook of selected war crime decisions by various national and international tribunals in the twentieth and early twenty first centuries as well as a brief historical account of the geopolitical diplomatic and military events surrounding them The text is divided into six parts arranged in chronological order beginning with the Hague Peace Conferences of 1899 and 1907 up to the Summer 2004 decisions by the Supreme Court of the United States which dealt with transnational terrorism committed by United States citizens as well as the Guantanamo Bay Cuba detainees held under the authority of the Bush Administration War Crimes and War Crime Trials contains edited excerpts from forty four judicial opinions embellished with a congeries of international national military and political documents that add context to the case law The editors have included fairly extensive selections from some of the major materials that have surrounded subsequent war crime litigation Also included are an epilogue by Michael Ignatieff an eleven entry appendix a glossary containing over 200 words a reference section of over 1 400 citations from a wide variety of legal historical and international relations literature and a name and subject index War Crimes and War Crime Trials From Leipzig to the ICC and Beyond Cases Materials and Comments edited by John C Watkins Jr and John Paul Weber is the most complete book on the subjects to date In these challenging times it is an essential reference for all who study or are engaged in the events brought about by September 11 2001 Frank J Williams Chief Justice of the Supreme Court of Rhode Island and Member of the Military Commissions Review Panel Skillfully edited the book weaves together an eclectic tableau of primary and secondary sources drawn from major court decisions and scholarly commentary over the past century The result is a versatile stand alone text and reference that should appeal to students of law political science criminal justice history and international relations alike CHOICE Magazine

International Encyclopedia of the Social & Behavioral Sciences Neil J. Smelser,Paul B. Baltes,2001 The largest work ever published in the social and behavioural sciences It contains 4000 signed articles 15 million words of text 90 000 bibliographic

references and 150 biographical entries *International Security and Conflict* Bruce M. Russett, 2008 A collection of articles and papers that presents a variety of perspectives on key topics in international security and conflict It draws on international scholars working from different kinds of theories realist liberal institutionalist and constructivist and research methods to ask why nation states may fight violently or stay at peace Monetary Divergence David Bearce, 2007-02-02 Introduction The monetary convergence hypothesis Evidence of monetary divergence From fiscal to monetary divergence Explaining divergence in the policy mix Illustrating partisan divergence in the policy mix Expanding the argument

People, States, and World Order Louis René Beres, 1981 Nature Versus Nurture Robert Barnes, James D. Pickering, 1985-01-28 *A History of the Behavioral Therapies* William T. O'Donohue, 2001 A unique resource for students professionals and fellow travelers interested in the phenomenon of behavioral therapy this book presents the history of the behavioral therapies in the words of the individuals who made it happen **New Directions for International Relations** Alex Mintz, Bruce Russett, 2005-02-11 Why does the academic study of international relations have limited impact on the policy community In *New Directions for International Relations* Mintz and Russett identify differences in methods of analysis as one cause of problematic unreliable results They discuss the problem and set the stage for nine chapters by diverse scholars to demonstrate innovative new developments in IR theory and creative new methods that can lay the basis for greater consensus **International Political Earthquakes** Michael Brecher, 2008-08-25 A preeminent scholar examines the global causes and consequences of international conflict Choice, 2006 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur**, 2004 **Book Review Index Cumulation** Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year America, History and Life, 2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada
