Behind The Mask:

Behind the Mask Josh Piterman, 2025-04-29 From the Australian star of *The Phantom of the Opera* and *Les Misérables* My book includes many of the lessons learnings and wisdoms I found while trying to work out who I really am Some I formulated others I stumbled across while reading numerous philosophical spiritual and self help books over the years Others are from the various coaches teachers gurus guides mentors therapists and philosophers who have helped me grow through the ups and downs of life and self discovery Some have come through my podcast *Behind the Mask* My intention is not only to give you a backstage VIP tour of my musical theatre world but also to provide you with some useful tools to help navigate life find deeper meaning explore a growth mindset and ensure it's all done with a touch of humour Ultimately I would like to help you step out from behind the masks you wear the persona you have created I want to give you the strategies and the confidence to understand and accept who you really are because until you ditch the distractions and learn to love yourself as nobody you will never truly love yourself as somebody You need to understand who you always were before you can realise who you might become

Behind the Mask Angela M. Heap, 2019-06-13 This new study of Menander casts fresh light not only on the techniques of the playwright but also on the literary and historical contexts of the plays Menander 342 1 292 1 BCE wrote over a hundred popular comedies several of which were adapted by Plautus and Terence Through them he was a major influence on Shakespeare and Molière However his work survived only in excerpts and quotation until some significant texts reappeared in the nineteenth and twentieth centuries on papyrus The mystery of their loss and rediscovery has raised key questions surrounding the transmission of these and other Greek texts Theatrical masks from the fourth century BCE discovered on the island of Lipari now also provide important material with which this book examines how the plays were originally performed A detailed investigation of their historical setting is offered which engages with recent debates on the importance of social status and citizenship in Menander's plays The techniques of characterization are also examined with particular focus on women slaves and power relationships in his *Epileptontes* It appears that the audience was invited sometimes subversively behind the mask of this sophisticated comedy to discover that people do not always conform to literary expectations and social norms

Behind the Mask Dennis Rozema, 2011-02-07 If you're an adolescent dealing with depression anxiety substance abuse or suicidal thoughts you know all about living behind a mask In *Behind the Mask* author Dennis Rozema helps you let go of the mask reveal your true self and become the person you were born to be Using personal examples from his work as a former high school counselor and adolescent therapist Rozema helps teens and those trying to help teens understand the issues troubled youths face *Behind the Mask* examines the following Three of the masks teens wear The despair that lies behind the mask Emotions and behaviors that fuel that despair The relationship of the mask to addictions The importance of love and trust and how they can lead to recovery Steps to make recovery possible *Behind the Mask* shares the personal experiences of adolescents and offers quotes from real journals to illustrate how teenagers minds
