Behind Those Garden Walls in Historic Savannah Louisa Farrand Wood, 1982-12-01 *Behind Those Garden Walls in Historic Savannah* Louisa Farrand Wood, 1982 [Seeking Eden](#) Staci L. Catron, Mary Ann Eaddy, 2018-04-15 *Seeking Eden* promotes an awareness of and appreciation for Georgia's rich garden heritage. Updated and expanded here are the stories of nearly thirty designed landscapes first identified in the early twentieth century publication *Garden History of Georgia 1733-1933*. *Seeking Eden* records each garden's evolution and history as well as each garden's current early twenty-first century appearance as beautifully documented in photographs. Dating from the mid-eighteenth to the early twentieth centuries, these publicly and privately owned gardens include nineteenth-century parterres, Colonial Revival gardens, Country Place era landscapes, rock gardens, historic town squares, college campuses, and an urban conservation garden. *Seeking Eden* explores the significant impact of the women who envisioned and nurtured many of these special places, the role of professional designers including J. Neel Reid, Philip Trammel Shutze, William C. Pauley, Robert B. Cridland, the Olmsted Brothers, Hubert Bond Owens, and Clermont Lee, and the influence of the garden club movement in Georgia in the early twentieth century. **FEATURED GARDENS:** Andrew Low House and Garden, Savannah; Ashland Farm, Flintstone; Barnsley Gardens, Adairsville; Barrington Hall and Bulloch Hall, Roswell; Battersby Hartridge Garden, Savannah; Beech Haven, Athens; Berry College, Oak Hill; and House of Dreams, Mount Berry. Gardens of Georgia William R. Mitchell, 1989. Graced with one of the longest growing seasons in North America, Georgia has a rich and interesting tradition of gardens and gardening. That tradition is vividly portrayed in *Gardens of Georgia*, commissioned by the Garden Club of Georgia, Inc. to commemorate its sixtieth anniversary and to celebrate the heritage and beauty of Georgia's gardens. As noted by Georgia founder James Oglethorpe in 1732, Georgia has a happy climate. From the broad-shouldered mountains of the Blue Ridge through the red clay of the rolling piedmont across the sprawling piney coastal plain and on to the subtropical islands on the Atlantic, Georgia is blessed with four regions of gardening opportunities, distinctly defined by differences in elevation, climate, soil, and natural vegetation. Writer William Mitchell and photographer Richard Moore have portrayed the wonders of gardens, historic and contemporary, public and private, and urban, suburban, and rural, from each of these regions. Whether illustrating overall gardenscapes or capturing intimate vignettes and individual blossoms, Richard Moore's photographs have a depth of color and clarity of detail that immerse the reader into a world of

delightful splendor The text by Willaim Mitchell not only describes the settings as they are today but also spins a rich background of history in the context of the botanical Eden observed by early explorers The richest legacy of each generation is to preserve and protect an always vulnerable natural environment and help nature bring forth its green and glowing cycles of rebirth Gardens of Georgia celebrates that legacy sharing the ongoing dream of paradise a new Eden whether it is in a grand formal garden from an earlier era or a small plot of perennials in a Georgia yard *The Official Museum Directory* 1991 ,1990 Insiders' Guide® to Savannah & Hilton Head Georgia Byrd,2015-07-17 Insiders Guide to Savannah and Hilton Head is the essential source for in depth travel and relocation information to these treasured Southern cities Written by a local and true insider this guide offers a personal and practical perspective that makes it a must have guide for travelers as well as residents looking to rediscover their home city of Savannah or nearby Hilton Head *Atlanta* ,2004-02 Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region **The Official Museum Directory, 1992** ,1992-12 Classic Savannah William R.
