Being Gods Woman:

Being God's Man by Understanding a Woman's Heart Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-05-19 How to be God's man in relationship with a woman Few men would ever embark on an important project a significant career change or a major athletic challenge without gathering all the tactical knowledge possible to insure a good outcome Yet when it comes to relationships with women most men fail to apply the simple principles that make them successful in other areas of life It may be easy to get into a relationship with a woman but it's not so easy to make the relationship work well It takes energy It demands effort It requires education and understanding God is available to help But there's a catch God's man must connect with God's purposes before he can truly connect with his wife or wife to be God uses the marriage relationship to promote growth in men's lives because it shows us our character gaps and drives us to Him for solutions If you want true intimacy and connection with a woman you'll need to grow up and graduate from God's school of character This book *Being God's Man by Understanding a Woman's Heart* is the perfect start Special Features Practical studies facilitate personal encounters with God and other men Questions encourage genuine reflection and help build godly convictions Real Life case studies show how the truths you discover have worked out in other men's lives Standing Strong section gives you the opportunity to form and express your action steps with God and your group **Being God's Woman** Audrey Bowie, 1993
