**Being Geniuses Together, 1920-1930** Robert McAlmon, Kay Boyle, 1968      **Being geniuses together, 1920-1930. Revised and with supplementary chapters by Kay Boyle** Robert McAlmon, Kay Boyle, 1970      ... Being Geniuses Together, 1920-1930 Robert McAlmon, 1938      **Being Geniuses Together** Robert McAlmon, 1984      **Being Geniuses Together** Robert McAlmon, 1938      **William Carlos Williams** Charles Doyle, 1997 William Carlos Williams 1883 1963 Writings include *Poems Spring* and *All Paterson* Volume covers the period 1909 1967      Writing the Lost Generation Craig Monk, 2010-11 Members of the Lost Generation American writers and artists who lived in Paris during the 1920s continue to occupy an important place in our literary history Rebellious against increased commercialism and the ebb of cosmopolitan society in early twentieth century America they rejected the culture of what Ernest Hemingway called a place of broad lawns and narrow minds Much of what we know about these iconic literary figures comes from their own published letters and essays revealing how adroitly they developed their own reputations by controlling the reception of their work Surprisingly the literary world has paid less attention to their autobiographies In *Writing the Lost Generation* Craig Monk unlocks a series of neglected texts while reinvigorating our reading of more familiar ones Well known autobiographies by Malcolm Cowley Ernest Hemingway and Gertrude Stein are joined here by works from a variety of lesser known but still important expatriate American writers including Sylvia Beach Alfred Kreymborg Samuel Putnam and Harold Stearns By bringing together the self reflective works of the Lost Generation and probing the ways the writers portrayed themselves Monk provides an exciting and comprehensive overview of modernist expatriates from the United States      **Modernism and the Culture of Celebrity** Aaron Jaffe, 2005-03-17 In this 2005 book Jaffe examines the interactions of modernist literary fame and celebrity culture in the early twentieth century      *Sylvia Beach And The Lost Generation* Riley Noel Fitch, 1983 Noel Riley Fitch has written a perfect book full to the brim with literary history correct and whole hearted both in statement and in implication She makes me feel and remember a good many things that happened before and after my time I m glad to have lived long enough to read it Glenway Wescott      **Cakewalk** Kate Moses, 2010-05-11 From the author of the internationally acclaimed *Wintering* A Novel of Sylvia Plath comes a funny touching memoir of a crummy and crummy childhood Growing up in the 1960s and 70s Kate Moses was surrounded by sugar Twinkies in the basement freezer honey on the fried chicken Baby Ruth bars in her father s sock drawer But sweetness of the more intangible variety was harder to come by Her parents were disastrously mismatched far too preoccupied with their mutual misery to notice its effects on their kids A frustrated artist Kate s beautiful capricious mother lived in a constant state of creative and marital emergency enlisting Kate as her confidante We re the girls we have to stick together and instructing her three children to refer to her in public as their babysitter Kate s father was aloof ambitious and prone to blasts of withering abuse increasingly directed at the daughter who found herself standing between her embattled parents Kate looked for comfort in the imaginary worlds of books and found

refuge in the kitchen where she taught herself to bake and entered the one realm where she was able to wield control Telling her own story with the same lyricism compassion and eye for lush detail she brings to her fiction coupled with the candor and humor she is known for in her personal essays Kate Moses leavens each tale of her coming of age in *Cakewalk* with a recipe from her lifetime of confectionary obsession There is the mysteriously erotic German Chocolate Cake implicated in a birds and bees speech when Kate was seven the gingerbread people her mother baked for Christmas the year Kate officially realized she was fat the chocolate chip cookies Kate used to curry favor during a hilariously gruesome adolescence and the brownies she baked for her idol the legendary M F K Fisher who pronounced them delicious Filled with the abundance and joy that were so lacking in Kate s youth *Cakewalk* is a wise loving tribute to life in all its sweetness as well as its bitterness and ultimately a recipe for forgiveness

**Mosaic of Fire** Caroline Maun,2013-01-23 *Mosaic of Fire* examines the personal and artistic interactions of four innovative American modernist women writers Lola Ridge Evelyn Scott Charlotte Wilder and Kay Boyle all active in the Greenwich Village cultural milieu of the first half of the twentieth century Caroline Maun traces the mutually constructive mentoring relationships through which these writers fostered each other s artistic endeavors and highlights the ways in which their lives and works illustrate issues common to women writers of the modernist era The feminist vision of poet activist and editor Lola Ridge led her to form friendships with women writers of considerable talent influencing this circle with the aesthetic and feminist principles outlined in her 1919 lecture *Woman and the Creative Will* Ridge first encountered the work of Evelyn Scott when she accepted several of Scott s poems for publication in *Others* and wrote a favorable review of her novel *The Narrow House* Ridge also took notice of novice writer Kay Boyle shortly after Boyle s arrival in New York hiring Boyle as an assistant at *Broom* Almost a decade later Scott introduced poet Charlotte Wilder to Ridge inaugurating a sustaining friendship between the two *Mosaic of Fire* examines how each of these writers was energized by the aesthetic innovations that characterized the modernist period and how each was also attentive to her writing as a method to encourage social change Maun maps the ebb and flow of their friendships and careers documenting the sometimes unequal nature of support and affection across this group of talented women artists

Kay Boyle M. Clark Chambers,2002 This is the first comprehensive bibliography on American author Kay Boyle The political active Boyle was one of the so called Lost Generation of American expatriate writers in Europe between the World Wars She traveled in the literary circles of James Joyce Ernest Hemingway and Gertrude Stein She wrote fourteen novels nine short story collections three children s books five collections of poetry and two collections of essays Additionally she ghostwrote two books co edited two others and translated three books from French into English The gifted writer was awarded two Guggenheim Fellowships and was a member of the American Academy of Art The Academy recognized Boyle for her extraordinary contribution to contemporary American literature over a lifetime of creative work
