*Bel Mooney's Somerset* Bel Mooney,1989      *Unsung Women in Somerset: Junior Edition* Helen Pugh,2024-10-01 What have women in Somerset got up to over the years Oh nothing much Apart from worshipping goddesses travelling the world burning down a castle arguing with the queen over swans writing mega popular books fighting against slavery racism voting before women were officially allowed to vote and a few loads of other things And most of these women aren't well known at all Let's change that Come along on a journey from before the Romans came all the way to the mid 1900s to meet women in Somerset who were unrecognised unrewarded and uncelebrated      **Unsung Women in Somerset** Helen Pugh,2023-11-20 *Unsung Women in Somerset* is a book of real life and legendary women who lived loved worked and struggled in Somerset From pre Roman to modern times we meet women with courage kindness innovation and even some who smashed the rules Through 23 chapters we meet most women through a short story followed by historical notes about the woman and a chapter bibliography that shows the meticulous research that has gone into the book Most chapters also include a Quick Tribute section that briefly mentions other interesting women from the same century Meet the woman who had two funerals Meet the African princess who survived and thrived despite the odds Meet the woman who voted before it was legal Meet the openly gay artists whose generosity touched their neighbours hearts Meet the queens and saints and witches and workers and much more These are the unsung women of our county This is the history of Somerset like never before      [On This Day in Somerset](#) Helen Pugh,2025-11-03 A life changing meeting on International Women's Day A philosopher buried on St George's Day A suffragette released from prison on Christmas Eve With some familiar faces from *Unsung Women in Somerset* plus many new people to meet including medics human rights campaigners witches heroes preachers and more From Roman times to the present day and from Athelney to the Zoylands this book celebrates 366 days of women across the county of Somerset a calendar where women from all walks of life take their rightful place centre stage Readers can discover which woman is connected to their birthday or any special date making this almanac a unique and personal way to engage with local history It's a book that can be read one page a day throughout the year or be devoured in a handful of sittings

[The Year of the Child](#) Bel Mooney,2013-06-06 Bel Mooney has taken twelve children from different parts of the British Isles and observed them over a year as they play learn and grow She saw Denise being born watched Gemma the daughter of a company executive at her nursery school and heard the fears of the parents of Donald a West Indian child from Birmingham She saw David in preparatory school and Melanie in her comprehensive talked to a fourteen year old Asian boy about his experience of race and to a ten year old Welsh boy about family violence The twelve chapters in *The Year of the Child* mirror the stages in a child's development from total dependence to independence and self awareness and the beginnings of a critical attitude to the world around a world in which he or she whatever the social background has had very little personal choice *The Year of the Child* makes a valuable contribution to social history describing six boys and six girls from different

parts of the British Isles and from three broad social groups it goes beyond journalism and social comment to become a re-enactment of what the author calls that cyclical loss of innocence which is at the root of human experience

**The Fourth of July** Bel Mooney, 2013-03-04 Millionaire porn king Anthony Carl has gathered a group of people together for a fourth of July party in New Jersey Among them is the British photo journalist Barbara Rowe who finds herself drawn into unexpected sympathy with Annelisa Kaye Emperor magazine's most celebrated sex goddess Annelisa's life too is defined by the cool eye of the camera And this weekend more than ever she seems beautiful fragile and doomed

**The Windsurf Boy** Bel Mooney, 2013-04-16 To newly separated Anna holidaying in Devon with her seven year old son the exquisite windsurfer winging across the waves on the river near their cottage represents all that is young strong and free In a nearby nursing home Anna's mother is dying of cancer calmly accepting impending death with a dignity her daughter cannot begin to understand Faced with the dilemma of many conflicting emotions guilt grief nostalgia and an increasing infatuation with the teenage windsurfer Anna struggles to come to terms with her life

**Lost Footsteps** Bel Mooney, 2012-07-20 At the heart of Ana Popescu's existence is the love for her son He is the only thing that makes life in Ceausescu's Romania tolerable In their mean little flat they have created a private world in which no harm can come to them But Ana is haunted by a mystery in her own past and by her awareness under a totalitarian regime the soul can gradually be corrupted At last as incident at Ion's school convinces her she must send him away When she seizes the chance to give Ion freedom Ana unwittingly propels him beyond bureaucracy into an underworld of refugees and migrants Attempting to follow she is caught and thrown into prison Then the collapse of communism and the overthrow of Ceausescu rekindle her hope for a future as she leaves her country for the first time and embarks on a quest to reclaim her lost child The achievement of Bel Mooney's powerful and ambitious new novel as it moves across the changing face of contemporary Europe is that it takes us inside the lives of people caught up in the flood tide of political events A story of sacrifice loss and love it is a moving and triumphant celebration of the power and immutability of the bonds of motherhood and is also about one of the most pressing humanitarian issues of our age
