Believers Guide To Christian Maturity:

A Believer's Guide to Christian Maturity Albion Fox Ballenger, 1982 *Map to Maturity* Mark Ballard, 2024-04-29 The movement to Christian maturity does not happen overnight Many a preacher and teacher of God s Word has noted that the race to Christian maturity is not a sprint but a marathon The book you hold in your hand sees Christian maturity through another analogy altogether Rather than viewing Christian maturity as a race the emphasis here is that the path to Christian maturity is a journey It is a journey that begins the moment one turns to Jesus in faith and continues until the believer leaves this earth While most of us can drive to the local Walmart without a map long journeys require one It may be a GPS on your phone or an old fashioned map but a map is required for you to go somewhere you have never been before This book serves as a map to guide the believer toward growth in Christian maturity If you are a new believer this book is for you You can pick it up today read the introduction and start on the journey to maturity You can walk through this book on your own or participate in a group study Read a chapter each week then either on your own or in a small group you can learn from the review questions and make an application to your own journey If you have been a believer for many years this book is for you Part of growing to maturity is to help others get on the right road and to help others on the road to move forward toward maturity themselves This book is designed to help you guide other believers The book is designed in such a way that you can use it in one on one mentoring relationships or in leading a small group of believers toward maturity If you are a pastor this book is for you You hold a tool in your hand that you can use to help new believers grow You can use this same tool to help long time believers in your church begin to mentor younger believers in one on one relationships or through your small group ministries 10 Basic Steps Toward Christian Maturity Bill Bright, 1994 Finally a proven study series that offers a simple way to understand the basics of the Christian faith The series introduces Jesus Christ and explains how to live the Christian walk Each step contains six to seven lessons plus a review section These studies have been used effectively by churches individuals and home Bible study groups worldwide providing a solid foundation for Christian growth A great resource for discipling **Christian Maturity - Instructors Guide** Grace Bible College & Seminary, *Basics for Believers* William L. Thrasher, Jr., 1998-09-30 Just as athletes must master certain physical skills to dominate their sport Christians must master certain basic principles of the faith to reach spiritual maturity But because many of us don t have a good grasp of the fundamentals we find our spiritual lives stagnant With 54 brief topical discussions *Basics for Believers* includes subjects like the Trinity life goals worship budgeting and evangelism making the basics of Christianity accessible and understandable for everyone The Believers Guide to Mattie Nottage, 2023-01-19 Fifteen Steps Out Bob Mumford, 1994-12-01

Growing in Discipleship Rev. Daniel Dapaah, 2024-08-19 The primary responsibility of the church its raison d etre is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ Matt 28 16 20 1 Cor 3 2 3 14 20 What does it mean to grow in discipleship and maturity in Christ What are the required ingredients for such

growth and maturity to occur. Answers to both questions are provided in the book you're about to read. Growing in Discipleship is wide ranging in scope from biblical studies to systematic theology focusing on a sample of fundamental doctrines of the Christian faith. The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ. Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies. Beginning seminarians will also find this book useful. But true discipleship is more than an intellectual assent to the doctrines of the church. It is also a personal commitment to the life and teachings of Christ. It involves growing spiritually to reflect the image of Christ. Latin: Imago Dei. The book includes an Individual or Group Exercise guide at the end of each chapter focusing on sample questions from the study, a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit. This book is a useful resource for individual and group Bible study.
