*Battling Bella* Leandra Ruth Zarnow, 2019-11-26 Bella Abzug s promotion of women s and gay rights universal childcare green energy and more provoked not only fierce opposition from Republicans but a split within her own party The story of this notorious galvanizing force in the Democrats New Politics insurgency is a biography for our times Before Alexandria Ocasio Cortez Elizabeth Warren or Hillary Clinton there was New York s Bella Abzug With a fiery rhetorical style forged in the 1960s antiwar movement Abzug vigorously promoted gender parity economic justice and the need to bring Congress back to the people The 1970 congressional election season saw Abzug in her trademark broad brimmed hats campaigning on the slogan This Woman s Place Is in the House the House of Representatives Having won her seat she advanced the feminist agenda in ways big and small from gaining full access for congresswomen to the House swimming pool to cofounding the National Women s Political Caucus to putting the title Ms into the political lexicon Beyond women s rights Sister Bella promoted gay rights privacy rights and human rights and pushed legislation relating to urban environmental and foreign affairs Her stint in Congress lasted just six years it ended when she decided to seek the Democrats 1976 New York Senate nomination a race she lost to Daniel Patrick Moynihan by less than 1 percent Their primary contest while gendered was also an ideological struggle for the heart of the Democratic Party Abzug s protest politics had helped for a time to shift the center of politics to the left but her progressive positions also fueled a backlash from conservatives who thought change was going too far This deeply researched political biography highlights how as 1960s radicalism moved protest into electoral politics Abzug drew fire from establishment politicians across the political spectrum but also inspired a generation of women

**Bella Abzug** Suzanne Braun Levine, Mary Thom, 2008-12-09 I ve been described as a tough and noisy woman a prize fighter a man hater you name it They call me Battling Bella Mother Courage and a Jewish mother with more complaints than Portnoy There are those who say I m impatient impetuous uppity rude profane brash and overbearing Whether I m any of those things or all of them you can decide for yourself But whatever I am and this ought to made very clear I am a very serious woman For more than fifty years Bella Abzug championed the powerless and disenfranchised as an activist congresswoman and leader in every major social initiative of her time from Zionism and labor in the 40s to the ban the bomb efforts in the 50s to civil rights and the anti Vietnam War movements of the 60s to the women s movement in the 70s and 80s to enviromnemtal awareness and economic equality in the 90s Her political idealism never waning Abzug gave her final public speech before the U N in March

1998 just a few weeks before her death Presented in the voices of both friends and foes of those who knew fought with revered and struggled alongside her this oral biography will be the first comprehensive account of a woman who was one of our most influential leaders Gender Gap Bella S. Abzug, Mim Kelber, 1984 **The Journey Home** Joyce Antler, 2010-05-11 A unique positive collection of essays profiles a number of forgotten female Jewish leaders who played key roles in various American social and political movements from suffrage and birth control to civil rights and fair labor practices **Congressional Record** United States.
