Belly Up Circus The:

Fall of the Big Top David Lewis Hammarstrom, 2016-04-25 Once an eagerly awaited spectacle the traveling circus that miracle of red wagons trumpeting elephants and spangled trapeze artists that slipped into town at dawn and disappeared by midnight has all but vanished from the American landscape This work explores circus history from 1793 to the present and addresses the forces of modern culture such as the popularity of Cirque du Soleil and pressure from the animal rights movement that are pushing big top shows toward what the author calls circus ballet Numerous photographs and in depth interviews conducted with show owners performers and directors enrich the narrative Overall the book reveals a sobering contrast between circuses of yesterday and today even as it honors the outstanding performers who created and have sustained the enduring appeal of the circus

Me of the Never Never Fiona O'Loughlin, 2011-08-30 Nothing turns out as you plan I guess but I often think if I d gone to a fortune teller when I was at school and been told I d marry a guy who makes false teeth move to Alice Springs have five kids and become a standup comedian well I would have been surprised to say the least Fiona O Loughlin is certainly the funniest and possibly one of the busiest working mothers in Australia today a stand up comedian based in Alice Springs and Adelaide she is on the road for most of the year doing live performances plus regular television appearances Fiona has also had successful shows at the Edinburgh and Adelaide fringe festivals the Just for Laughs Festival in Montreal and the Melbourne International Comedy Festival This book contains her stories funny and sometimes sad about her upbringing as part of a large Irish Catholic family on a wheat farm in South Australia her chaotic and disorganised family life ever since living in Alice Springs and making it as a stand up comedian She also talks of a darker side of the life of many performers alcohol This book is for anyone who likes to laugh and cry who wants to read about a woman living her life on her terms O Loughlin memoir is deep and honest as she describes her love for her large family and her ordeal of struggling with alcohol addiction The NSW Writers Centre Her memoir is charm personified in that it s not only a fascinating journey through an Australian woman s life its candour and honesty is kind of heart melting Australian Women Online This is one which will raise a lot of laughs not least because she is one of those rare people who can see the funny side to everything life throws at her Weekend Notes
