Beloved Betrayal:

Beloved Betrayal Carol Finch, 1988-05-01 Disguising herself as an old hag beautiful actress Sabrina Spencer sets off for New Mexico to find her father's killer but along the way she falls in love with Ridge Tanner the handsome cowboy she blackmailed into being her guide

The Drama in Shakespeare's Sonnets Mark Mirsky, 2011-07-16 The Drama in Shakespeare's Sonnets A Satire to Decay is a work of detective scholarship Unable to believe that England's great dramatist would publish a sequence of sonnets without a plot Mark Jay Mirsky novelist playwright and professor of English proposes a solution to a riddle that has frustrated scholars and poets alike Arguing that the Sonnets are not just a higgledy piggledy collection of poems but were put in order by Shakespeare himself and drawing on the insights of several of the Sonnets foremost contemporary scholars Mirsky examines the Sonnets poem by poem to ask what is the story of the whole Mirsky takes Shakespeare at his own word in Sonnet 100 where the poet tongue in cheek advises his lover to regard time's spoils in this case any wrinkle graven in his cheek as but a satire to decay The comfort is obviously double edged but it can also be read as a mirror of Shakespeare's satire on himself as if to praise his own wrinkles and reflects the poet's intention in assembling the Sonnets to satirize the playwright's own decay as a man and a lover In a parody of sonnet sequences written by his fellow poets Spenser and Daniel Shakespeare's mordant wit conceals a bitter laugh at his own romantic life The Drama in Shakespeare's Sonnets demonstrates the playwright's wish to capture the drama of the sexual betrayal as he experienced it in a triangle of friendship and eroticism with a man and a woman It is a plot however that the playwright does not want to advertise too widely and conceals in the 1609 Quarto from all but a very few Despite Shakespeare's moments of despair at his male friend's betrayal and the poet's cursing at the sexual promiscuity of the so called Dark Lady The Drama in Shakespeare's Sonnets sees the whole as a satire by Shakespeare and particularly when read with the poem that accompanied it in the 1609 printing *A Lover's Complaint* as a laughing meditation on the irrepressible joy of sexual life

Greek Erotic Epigram Maria Kanellou, 2025-03-19 Despite its small size epigram attracted some of the best poetic talents of antiquity exerting a strong influence on Latin literature and continuing to inspire poetic creativity until today During the last decades research on epigram flourished to an unprecedented degree Greek Erotic Epigram A Diachronic Approach draws on and engages with this renewed scholarly interest in the briefest of the ancient Greek genres By shifting focus away from a particular poet collection and the epigrammatic production of a specific historical period it explores diachronically erotic epigram from various interpretative angles treating the surviving material as an organic whole Four motifs drive diachronic research encompassing a wide chronological span from the Hellenistic up until the early Byzantine era the lamp sea and nautical imagery the beloved's comparison to Aphrodite and Eros and the Erotes By analysing how these motifs were shaped and adapted over the centuries the book illustrates the epigrammatists changing attitudes towards the material inherited from earlier poetic tradition and leads to a deeper appreciation of the narrative techniques adopted by

them as well as of the inner dynamics of poetic imitation and competition Moreover the scrutiny of the motifs within wider literary and historical backgrounds reveals the influence exerted by different cultural and sociopolitical environments on the epigrammatists work in the course of centuries The book offers a model for the type of diachronic research that can be applied to other epigrammatic subgenres and other motifs and to Latin epigram

Arabic and Hebrew Love Poems in Al-Andalus Shari Lowin,2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain
