Agnes Newton Keith, 1979 **Agnes Keith and Other Colonial Woman Writers in Borneo** Mohamad Rashidi Pakri,
Simon Peter Hull, Elizabeth Joanny Openg, 2021-12-09 Taking its cue from feminist postcolonial studies of women's writing in
the colonial era this book testifies to the great diversity of such writing. However, it uniquely does this by showing the
existence of a richly varied and heterogeneous range of texts not only between man writers and woman writers but equally
amongst the women themselves. These are women, moreover, who are writing within the same relatively small region of South
East Asia. As Agnes Keith whose writing forms the focal point of this book credibly surmises, Borneo remained even towards
the end of the colonial period a dark and mysterious land to people in the West, largely populated as they imagined by tribes
of headhunters. It was therefore to the lack of knowledge and curiosity of ordinary middle class people in the West that Keith's
writing and that of the other woman writers featured in this book so engagingly responds. **Dynamism of Local
Knowledge Revisiting History and Culture (Penerbit USM)** Nurul Farhana Low Abdullah, Mohd Rashidi Pakri,
Dynamism of Local Knowledge Revisiting History and Culture give readers a critical view of history and culture through the
lenses of contributors' understanding of local knowledge and its epistemology. The essays in this volume explore the various
facets of Malaysian traditions, culture, history, and lifestyle. The perspectives of history and culture take a dynamic turn
through exploring genres such as dance, literature, traditions, and language. This book will highlight the new dynamic in local
knowledge through its publication as the selected essays discuss a wide range of topics that reflect the transdisciplinary
research perspectives of the respective contributors. **The Field Afar**, 1919 **French Exiles of Louisiana** J. T.

Dr. Baedeker and His Apostolic Work in Russia Robert Sloan Latimer, 1907 Friedrich Wilhelm Baedeker was a
German born evangelist, revivalist preacher, and missionary who worked mainly in Russia where he preached both at the Tsar's
court and in many prisons. In Germany, he was significantly involved in the spread of the holiness movement and had a
formative influence in the early phase of the Evangelical Alliance. **The Religious Herald**, 1921 The Quarterly Journal

sufficiently its scope and purpose. While there exist many admirable essays, commentaries, and general introductions to the
study of Dante, I am not aware of anything in the way of an exposition, canto by canto, as simple and popular as the nature of
the subject allows. Such an exposition, it has been my aim to supply from the Preface. *Glimpses of the Monastery* Member
