Beloved Rabbi A Story Of Jesus:

Beloved Rabbi Michele Torrey, 2000-02 Many have seen the rabbi from Nazareth Many believe From all over Palestine they flock to hear him speak to be healed to witness the miracles But even as Jesus reaches out his hands to heal there are those who would put a crown upon his head who would make him their king There are others who are outraged by his breaking of the laws by his healings on the Sabbath his eating with unwashed hands They fear he is leading the masses away from the traditions of the Fathers from the law of Moses and the divine will of God It is a time of turmoil of oppression as the Jewish nation labors under the occupation of the Roman Empire Will they ever be free from the yoke of tyranny Will the Messiah ever come And is Jesus the Messiah for whom they have waited Beloved Rabbi is the story of Jesus his ministry his death his resurrection and his love as witnessed by those who were there Relive these tumultuous times with twenty two of Jesus contemporaries Hear their stories Rejoice with them Weep with them Hear the call of the shofar as Tobias of Capernaum gathers at the Temple gates in preparation for the timely sacrifice of his paschal lamb He is a good man a good father recently troubled by the fanaticism of his son Eli Already Tobias has lost one son to the Romans must he lose yet another Run to the shore of the Sea of Galilee with Tobias son Eli as he seeks to make Jesus king the military leader of an army of zealots against Rome Raise your fist with Eli and his fellow zealots the Brothers as they cry out ALet everyone who is zealous for the law and supports the covenant come out with us To Israel To Israel From Laban of the Sanhedrin a pompous ring clacking Pharisee who has forgotten what it means to search for truth to Claudia Procula the haunted wife of the prefect of Judea the characters in Beloved Rabbi are rich in spiritual and political insight and historic detail The following is an excerpt BERNICE OF CAPERNAUM A Woman s Faith Tirzah entered the house with a jug of water on her shoulders Mother let me help you with that said her daughter Bernice stopped plucking the chicken and reached to take the earthenware jug from Tirzah s shoulders Nonsense My bones are not so brittle that I cannot still fetch water But Mother Hush now there is something important that I must tell you Tirzah lowered the jug to the floor and ignored the pain that shot through her back Wash your hands while I catch my breath You cannot go into town with feathers all over your hands Go into town Tirzah gazed at her daughter Bernice Once so vital plain to look at yes but vital and strong a joy to be around Now gray hair covered Bernice s head a jaundiced gray so unlike the silver that crowned Tirzah s head Bernice s hands shook as she poured water from the jug into a shallow basin Tirzah noticed that her daughter s hands were as gray and pasty as her face as if she washed them with ashes instead of water Bernice had suffered from sickness for twelve years For twelve years Tirzah had been forced to watch her daughter deteriorate into the illness that now clutched her as surely as if a demon possessed her Tirzah had been furious when Shobach Bernice s husband had handed her daughter a bill of divorcement My wife never ceases to bleed he said too cowardly to meet Tirzah s glare Always she is unclean And a man must have children or he is nothing And so for eleven years Bernice had lived with Tirzah Two women alone seeing one physician after another each

physician spouting promises of wellness Money first Wellness will follow Tirzah sold her donkey her wagon her comfortable home and took Bernice to Jerusalem to Damascus and finally to Egypt where the physicians were rumored to be the best in the world Now they lived in a one room stone house sharing a parched used up courtyard with seven other familie

Unwrapping Beloved's Gift, Co-Creating Soul's Song Isaura Barrera,2019-04-10 I think the best way you could describe this text is as put it in the Introduction a meditative map I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again always finding something new or something that had before remained unseen due to my own place in my own unique spiritual journey Lauren Sapala writer blogger and coach One day unexpected and un hoped for the world we had thought irretrievably lost may be returned to us I Zaleski 2006 It began with reading John O Donohue s Anam Cara I remembered I had once known such a friend and reached out to reconnect Love opened the door hope kept it open and faith gave me the courage to walk through These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved This book has two purposes to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others Isaura Barrera identifies five way stations that trace the path carved out by the song of love hope and faith evoked by her renewed friendship Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys Reflections at each station are linked to scriptural passages highlighting connections between deep friendship with a human beloved and deep friendship with Divine Beloved

Magdalene's Lost Legacy Margaret Starbird,2003-05-05 In Magdalene s Lost Legacy author Margaret Starbird decodes the symbolic numbers embedded in the original Greek phrases of the New Testament revealing the powerful presence of the feminine divine The New Testament contains wide use of gematria a literary device that allows the sums of certain phrases to produce sacred numbers Exploring the hidden meanings behind these numbers Starbird reveals that the union between Jesus and his bride Mary Magdalene formed a sacred partnership that was the cornerstone of the earliest Christian community Magdalene s Lost Legacy demonstrates how the crucial teaching of the sacred marriage that unites masculine and feminine principles the heiros gamos is the partnership model for life on our planet and the ultimate blueprint for civilization Starbird s research challenges the concept that Christ was celibate and establishes Mary Magdalene as the human incarnation of the sacred bride The author also explains the true meaning of the 666 prophesied in the Book of

Revelation Through this potent reclaiming of the lost legacy of Mary Magdalene Margaret Starbird offers the opportunity to restore the divine feminine to her rightful role as bride beloved and sacred partner *The Gospel of Matthew* Matt Woodley,2011-09-28 They say the Bible is true but does it ring true Does it resonate In this journey through the Gospel of Matthew Matt Woodley considers the audacious idea of a God with us confronting us in the midst of all we've invested ourselves in and dedicated ourselves to and encouraging us with the promise that the God who made us has a better life in mind for us The Resonate series recovers the ancient wisdom of Scripture for a complex world The stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament the cultural messages we interact with on a daily basis The Scriptures become a meeting ground where God is confronted with the pressing concerns of our day and we are confronted in turn with a fresh experience of God's truth **Jesus, the Crucified Jew** Max Hunterberg,1929 **John (Understanding the Bible Commentary Series)** J. Ramsey Michaels,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series *The Monist* Paul Carus,1914 Vols 2 and 5 include appendices *The Beloved Disciple--his Name, His Story, His Thought* Vernard Eller,1987 [The Gospel According to ...](#) Martha Carver Harris,2014-10-27 Biblical evidence suggests that the Jerusalem Temple ran spies and that spies were involved in following Jesus From this idea comes the story of Darmud an agent of the Jerusalem Temple's spy network whose target is Jesus of Nazareth In his quest to nail Jesus he devises the plan that ensnares Judas Iscariot and eventually leads to the Crucifixion Darmud is the first in a series of narrators sharing firsthand accounts of encounters with Jesus Also presenting the viewpoints of a Sanhedrin member an adulteress a slave the Roman procurator and others the narrative examines the enemies arrayed against Jesus of Nazareth as well as the doubters and sinners who eventually supported Him The story is set against a backdrop of competing cultures Roman Jewish and Greek that both enriched and corrupted first century Palestine It explores how the sophistication and political acuity of Jewish and Roman leaders reacted in the presence of Truth itself With humor and insight this unusual retelling of the Gospel from the standpoint of fallen humanity manages to highlight the struggle between good and evil raging in every man *Egyptian Light and Hebrew Fire* Karl W. Luckert,1991-01-01 *Egyptian Light and Hebrew Fire* focuses on the cosmology of ancient Egypt and on derived traditions The book outlines how the ancient Egyptian world view affected Hebrew religion Greek philosophy Neoplatonism Gnosticism and early Christianity It traces ideological roots of Western civilization back to its earliest known prototypes in the Pyramid and Coffin texts of ancient Egypt It challenges us to refocus some of our history of

early Greek philosophy and it positively identifies Neoplatonism as a philosophized and scarcely disguised neo Egyptian theology
