## **Beloved Sunday Child:**

**Sunday'S Child** Annjea Morgan Llewor,2017-05-22 It all starts with one little lie I wasn't even born on Sunday Dominga Garcia says it without much thought as she drives Nico home from the martial arts studio on a hot summer day Although separated by a generation the two are also connected by the deep traditions of their Puerto Rican neighborhood in east Houston It seems almost too obvious that they will become lovers Dominga knew better than to tell that lie Even the smallest fib can cause loads of trouble a lesson she learned as a teenager Still Nico laughed when she said it and Dominga wanted what she wanted even if scheming was the only way to get it So begins a whirlwind romance filled with passion and play but everything is not as it seems Dominga is soon reminded that one lie leads to another and another and in the end it's hard to keep all her stories straight But a spider always remembers her own threads and Dominga is sure she'll come out of her predicament with exactly what and whom she wants What she isn't counting on is the fact that she isn't the only one lying

**Sunday's Children** Ingmar Bergman,2011-10-03 Pu Bergman is eight years old when Mother rents Pastor Dahlberg's ramshackle house for the summer Pu is a Sunday's child one said to be endowed with special gifts of sensitivity clairvoyance and the ability to see ghosts As the novel opens Pu's heart is full of anticipation as he goes to the train station to greet his father When Father arrives he is strangely distant melancholy and severe Over the next twenty-four hours Pu's world is marked indelibly In beautifully realized set pieces that reveal the Bergman family landscape and culminate in a train trip Pu and his father take together Pu encounters death and the infirmities of aging is humiliated by his terrorizing older brother dwells on ghost stories the servants tell and witnesses the painful arguments between his parents A series of flashbacks to the future enriches our understanding of the relationship between man and boy as a much older Ingmar Bergman visits his ill and dying father bringing the novel full circle In his review of the film made from Sunday's Children Vincent Canby called the story gorgeous richly poignant Not since *Wild Strawberries* has Mr Bergman dealt with time in a way that is simultaneously quite so limpid and so mysterious

**Sunday's Child** Garvin Dykes,2010-03 Danny Brannigan is born into a perfect world with the guarantee of a storybook future until he loses his father and ends up questioning the Christian teaching he grew up with When Ameenah Salim unexpectedly enters Danny's life she causes him to reexamine everything he grew up believing And when he's called to work for the military and spy against Ameenah's people their already unacceptable romance comes even more into question Will Ameenah forsake her heritage to be with Danny Will Danny's faith grow stronger than his love for piloting some of America's most awesome and powerful machinery Will the government be able to thwart the terrorist plot that is surely in the mix before the worst happens Readers will be riveted by the romance tightly wound in suspense in *Sunday's Child* by new author Garvin Dykes Dykes draws upon his experience as a counselor pastor and world traveler to expose the hurts and conflicts locked within the souls of far too many people *Sunday's Child* is a story that brings the impersonal conflicts between races and religions into the only perspective that matters The relationship between two people
