The Works of Ben Jonson with Notes Critical and Explanatory, and a Biographical Memoir Ben Jonson,1885

The Poems of Ben Jonson Tom Cain,Ruth Connolly,2021-11-29 Ben Jonson who was with

Shakespeare and Marlowe one of three principal playwrights of his age was also one of its most original and influential poets Known best for the country house poem To Penshurst and his moving elegy On my First Son his work inspired the whole generation of seventeenth century poets who declared themselves the Sons of Ben This edition brings his three major verse publications Epigrams 1616 The Forest 1616 and Underwood 1641 together with his large body of uncollected poems to create the largest collection of Jonson s verse that has been published It thus gives readers a comprehensive view of the wide range of his achievement from satirical epigrams through graceful lyrics to tender epitaphs Though he is often seen as the preeminent English poet of the plain style Jonson employed a wealth of topical and classical allusion and a compressed syntax which mean his poetry can require as much annotation for the modern reader as that of his friend John Donne This edition not only provides comprehensive explanation and contextualization aimed at student and non specialist readers alike but presents the poems in a modern spelling and punctuation that brings Jonson s poetry to life
