Benjamin Franklin. [With a Portrait.] Jeremiah CHAPLIN (the Younger.),1876 **The Sabbath** C. H. Pappas ThM,2017-11-14 When it comes to the doctrine of the Sabbath many are confused Some are so confused that they are asking how many commandments are there nine or ten Has the fourth commandment been abrogated or is it still binding If the fourth commandment stands then on what day are we to observe the Sabbath on Saturday or Sunday Or does it really matter just as long as we take off one day in the week Others have come to think that all the commandments have been abrogated Is this true A more searching question is asked Is the typical Christian community correct in observing the Sabbath on the first day of the week Or does the fourth commandment mandate the Sabbath to be observed on seventh day Still others are asking is the Sabbath Day and the Lords Day same or are they different As one can readily see these questions are troubling to many professing Christians They are confused as the doctrine of the Sabbath is no longer addressed However the more searching question is if the fourth commandment stands have we provoked our Lord to anger in failing to observe the Sabbath as we ought If we are to observe it then how is the Sabbath to be observed It is the writers conviction that we are not only to observe the Sabbath but also until we do there will be no revival in this country no matter how fervently we may fast and pray The doctrine of the Sabbath is essential to the life of the church and the liberties we once enjoy as a nation before it was infected with this liberation theology We must heed the divine mandate coming down from God to Remember the Sabbath Day to keep it Holy Exodus 20 8 Benjamin Franklin as an Educator M.
