Benaroya Hall Design For Music:

Benaroya Hall Ken Gouldthorpe, 1999 Benaroya Hall the new 120 million home of the Seattle Symphony Orchestra opens September 12 1998 This is the story behind its conception design and construction and the people who dreamed the dreams and took the risks long before the first note sounds in Benaroya Hall Seattle Symphony's Benaroya Hall is beautifully illustrated with the architect's first sketches construction photographs dynamic architectural photographs and majestic images of the building's stellar opening nights Music from the Hilltop Benjamin A. Kolodziej, 2023-10-15 In Music from the Hilltop Benjamin A. Kolodziej studies three significant academic musical figures to weave a narrative that not only details the role musical studies played in the development of Southern Methodist University but also relates a history of church music and pipe organs in Dallas Texas Bertha Stevens Cassidy 1876-1959 the first organ professor and the only woman on the faculty of the new university established herself as a leader and veritable dean of the church music community managing a career of significant performances and teaching Her student and protégé Dora Poteet Barclay 1903-1961 a Waco native exhibited such musical potential that she was hired by SMU the day after her graduation Taking over the organ program upon Cassidy's retirement Barclay broadened the pedagogical horizons for her students The great French composer Marcel Dupré with whom she briefly studied extolled Barclay's talents She is my best American student Many of her own students achieved great professional heights as performers and church musicians With the hiring of Robert Theodore Anderson 1934-2009 SMU solidified its reputation as a school able to provide excellence not only in performance training but also in scholarship A Chicago native who studied in New York and in Germany Anderson represented a new modern outlook to teaching and performance He was intellectually able to bridge the gap between the theologians of the Methodist seminary and the performers at the Meadows School of the Arts Through his example and guidance organists were taught to think critically whether about music or any other subject and to attain excellence in the craft of organ performance During the 1980s Anderson consulted with the Dallas Symphony to prepare for the installation of an organ in the new Meyerson Symphony Center an organ that would influence concert hall instruments in subsequent decades These three pedagogues played important roles in the development of the musical curriculum as well as the building of important organs on the SMU campus and around the city each in their own ways nurturing the practice of sacred music in North Texas **OHS Seattle 2008 Organ Atlas** Alan Bauer, 2008 **Fodor's Seattle** Fodor's Travel Guides, 2023-04-25 Whether you want to take in the view from the Space Needle sample world class coffee and cuisine or hike in Washington's national parks the local Fodor's travel experts in Seattle are here to help Fodor's Seattle guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor's Seattle travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to
