Chapters into Verse: Poetry in English Inspired by the Bible Robert Atwan,Laurance Wieder,1993-05-06 For generations poets have turned to the Bible for insight and inspiration What did so many creative minds find in scripture Is the Bible still a vital source of poetic inspirations Chapters Into Verse is the first comprehensive collection ever made of poems written in English inspired by the Bible A groundbreaking anthology it introduces readers to a distinct heritage of English poetry the scriptural tradition Though frequently ignored and sometimes suppressed this tradition rivals the classical and is every bit as venerable Drawing a unique map of the history of English poetry the two volumes of Chapters Into Verse survey and define the literary legacy of the Scriptures from the fourteenth century to the present Each volume is arranged in scriptural order and each poem is preceded by the biblical passage that inspired it Thus readers can conveniently witness the various ways sacred text has sparked the imagination of poets throughout the ages In Volume I which covers Genesis to Malachi almost every book of the Old Testament is represented The collection features verses both famous and unfamiliar from Milton s Paradise Lost and Lord Byron s Hebrew Melodies to Christopher Smart s hymns and Mary Herbert s psalms The editors have included poems by virtually all the prominent religious poets among them John Donne George Herbert Henry Vaughan Edward Taylor and Gerard Manley Hopkins Included too are devotional and visionary works from a wide range of vintage poets Robert Burns William Blake Walt Whitman Emily Dickinson Christina Rossetti Alfred Tennyson and Robert Browning Proving that the Bible is just as powerful a source of inspiration today as it was in the past the collection assembles a mixed congregation of modern and contemporary poets such as Marianne Moore Delmore Schwartz Dylan Thomas Robert Frost William Carlos Williams Countee Cullen e e cummings William Butler Yeats Robert Lowell Hugh McDiarmid Laura Riding Jackson Charles Reznikoff A D Hope Geoffrey Hill Denise Levertov Philip Levine John Ashbery and Derek Walcott Of enduring interest to readers of both scripture and literature this anthology illuminates key passages of the Old Testament The measured speech and inspired leaps of poetry offer a spirited alternative to the textual exegesis usually supplied by prose commentary As such Chapters Into Verse is truly a poets Bible In selection after selection readers will encounter an astonishing variety of religious experiences as a host of poets from many eras and many backgrounds respond to Holy Scripture spiritually profoundly and imaginatively **Chapters Into Verse: Volume Two: Gospels to Revelation** Robert Atwan,Laurance Wieder,1993-10-28 A collection of poems written in English inspired by the Bible Selected Poems Octavio Paz,G. Aroul,1984 Octavio Paz asserts Eliot Weinberger in his introduction to these Selected Poems is among the last

of the modernists who drew their own maps of the world For Latin America s foremost living poet his native Mexico has been the center of a global mandala a cultural configuration that in his life and work he has traced to its furthest reaches to Spain as a young Marxist during the Civil War to San Francisco and New York in the early 1940s to Paris as a surrealist in the postwar years to India and Japan in 1952 and to the East again as his country s ambassador to India from 1962 to 1968 and to various universities in the United States throughout the 1970s A great synthesizer the rich diversity of Paz s thought is shown here in all its astonishing complexity Among the sixty seven selections in this volume a gathering in English of his most essential poems drawn from nearly fifty years work are Muriel Rukeyser s now classic version of Sun Stone and new translations by editor Weinberger of Blanco and Maithuna And since for Paz forever in motion there can be no such thing as a definitive text all the poems have been revised to conform to the poet s most recent changes in the original Spanish Besides those by Rukeyser and Weinberger the translations in the Selected Poems are by G Aroul Elizabeth Bishop Paul Blackburn Lysander Kemp Denise Levertov Mark Strand Charles Tomlinson William Carlos Williams and Monique Fong Wust
