Collected Poems Of Hugo Williams:

Collected Poems Hugo Williams, 2010-12-09 In gathering four decades of work Hugo Williams's *Collected Poems* brings back into print a vast body of material long since unavailable from his 1965 debut *Symptoms of Loss* to *Self Portrait with a Slide* 1990 and including *Writing Home* 1985 described by Mick Imlah in the *Independent* on Sunday as a classic of creative autobiography The edition is brought up to date with his most recent work *Dock Leaves* a PBS Choice of 1994 and Billy's Rain winner of the 1999 T S Eliot Award This year's best collection of works by a single poet Intimate charming and often funny sometimes wistful slightly sceptical full of insight the poems are a monument to 40 years of talent Times In their seemingly artless way these poems look with candour at feebleness messy love affairs squirming memories and emerge triumphantly often with a rueful grin Anthony Thwaite Sunday Telegraph Not since Thom Gunn's *Collected Poems* has there been a *Collected* as startling and poignant as Hugo Williams's *Collected Poems* Williams shows us like no other contemporary poet what is so strangely undramatic about our personal dramas Adam Phillips Observer Books of the Year William's is a poet of such intimate charm such grace and cunning and such ordinary comical sadness that he wins your affection and admiration Hermoine Lee Guardian

All the Time in the World Hugo Williams, 2012-04-17 I believe I shall be writing home about this trip for the rest of my life years from now still recollecting like an old white hunter shadowy images to an empty fireplace far into the night *All the Time in the World* a first work of prose by the poet Hugo Williams was originally published in 1966 and commemorates Williams' effort at age 21 to travel the world the Middle East India South East Asia Japan and Australia Rich with striking and vivid perceptions of people and places and perilous forms of transport the account also finds Williams acquiring precious life experience even as the setting moves from the self-evident poem of India's landscape to barren petrified Northern Australia In Calcutta Williams looks up the great Satyajit Ray through the telephone book In Thailand he meets a girl at a dance hall moves into her sunny flat contemplates staying But to England he will return albeit by the most unexpectedly arduous leg of his amazing journey

Lines Off Hugo Williams, 2019-06-04 Catching a sudden look of defiance from his granddaughter inspires Hugo Williams to take up his pen and write this deeply moving new collection of poetry the first since *I Knew the Bride* 2014 shortlisted for the Forward and T S Eliot prizes He navigates assuredly from thoughtful reminiscences of childhood and accounts of the war through various climes and sensitively drawn relationships to grim humour in the hospital ward and growing older with its attendant doubts and disappearances The collection retains the same mischief frankness and joie de vivre that have earned Williams so much praise and readership

[I Knew the Bride](#) Hugo Williams, 2014-03-18 Hugo Williams is rightly cherished for his inimitable fusion of autobiography and irony and a technical glide that allows his writing to slip back to the past as effortlessly as a dreamer The Times *I Knew the Bride* is Williams' eleventh collection of poems and his first since *West End Final* was shortlisted for both the T S Eliot and Forward prizes for poetry in 2009 This new volume bears and lays bare those qualities that have become so characteristic of

his work his unflinching survey of his childhood and adult life alike alighting on moments of vivacity from his upbringing in a theatrical family in the 1940s and 50s the title poem a touching tribute to his late sister through to the romantic peaks and pains of his adult years Straight talking self deprecating and funny these recklessly accountable inspections are set against a Williamsesque miscellany of day to day backdrops that readers have come to treasure of record collections kitchen sinks shopping bicycles hotels bedrooms But I Knew the Bride is no mere rehearsal of old lives lived instead it takes the author and his readers into startling new terrain in a series of brave painful and profoundly moving poems From the Dialysis Ward in which the author records his own ongoing hospital treatment with a fearless vulnerability that makes this collection of poems a courageous and inspiring read Dock Leaves Hugo Williams,2010-12-09 In these poems Hugo Williams's subjects include the stings inflicted by school family and love life and the exquisite if qualified solace afforded by their contemplation

Freelancing Hugo Williams,2012-06-19 In 1988 Hugo Williams began to pen his Freelance column for the Times Literary Supplement a window that allowed him to exhibit the full panoply of his gifts as travel writer literary portraitist working poet and all round chronicler of the curious existence of the contemporary writer Freelancing is a collection of these TLS columns that finds Williams variously in Sarajevo Central America Jerusalem Skyros Portugal and Norwich In the course of events he sees his Selected Poems published his mother dies his wife inherits a chateau and he crashes his motorbike He reads and teaches as most poets do but also strolls through Paris dressed as Marlene Dietrich encounters some of the great and good and explores his personal history His account of these adventures reflections and discoveries is elegantly turned frequently hilarious and at times surprisingly poignant Dear Room Hugo Williams,2010-12-09 Dear Room is a worthy successor to Billy's Rain 1999 whose preoccupations and occasions it continues and ramifies charting the angles signals orders murmurs sighs of love separation and loss With grave good humour ruefully exact timing and a scruple reminiscent of Thomas Hardy these poems register the goodbye look of things and ponder the difference between a good memory and an inability to forget By turns candid caustic and drastically self accusing the many tenses and afterlives of desire are parsed in sawn off monologues short stories in verse thumbnail dramas splintery photographs In poem after poem Hugo Williams joins a sense of things missed and missing to a redemptive act of imaginative capture and Dear Room uncovers an ethics of the present reminding us in the words of Philip Larkin that days are where we live Possibly the most original poet of his generation in England Edna Longley Williams is a poet of such intimate charm such grace and cunning and such ordinary comical sadness that he wins your affection and admiration Hermoine Lee Guardian His great subject is time and time's power to consume both what is hated and what is loved Helen Dunmore Observer Not since Thom Gunn's Collected Poems has there been a Collected as startling and poignant as Hugo Williams's Collected Poems Williams shows us like no other contemporary poet what is so strangely undramatic about our personal dramas Adam Phillips Observer Books of the Year *No Particular Place to Go* Hugo Williams,2012-05-15 A hilarious book of bad times bedtimes and benders It is a kind of cool parody of On the

Road New Statesman No Particular Place to Go first published in 1981 relates Hugo Williams's journey across the USA on a three month poetry reading tour wherein he also hoped to discover some of the America he had imagined for so long on the strength of its all consuming popular culture No Particular Place to Go isn't a book that you'd take on a visitor's itinerary of the States But the journey it describes is a potent one It offered a poet's eye on modern culture a cool sideways perspective on its consumers and an enviable traveller's voice not just unafraid of meeting the locals but positively keen to jump in and grab whatever was on offer John Walsh Independent **Fast Music** Hugo Williams,2024-04-30 He's a poet of such intimate charm such grace and cunning and such ordinary comic sadness that he wins your affection and admiration Hermione Lee Guardian Fast Music refers as much to the fast dance music that caused Williams to run round the room on the furniture aged three as to the speed of life thought and to poetry itself which works harder and faster than ordinary speech In a poem about his typewriter the undiscovered islands are the many and various extraordinary subjects which rise out of the sea of his daily life to be caught between the rollers of his beloved Adler Gabriele Words returning with a bang and a bell to the left hand margin pausing for a moment to reflect on the scene Fast Music ranges from wide eyed school days to a full blown sequence of love sonnets to an ode to Brighton's West Pier and the inevitable helter skelter of fate *Curtain Call* Hugo Williams,2010-12-09 The art of portraiture in poetry is traceable from the Latin poets and Chaucer via Goldsmith Wordsworth and Browning to the modern era of Rimbaud Cavafy Auden Lowell and Hofmann Poetry is an art form which encourages introspection so it is a welcome break to find these poets looking outward fondly or otherwise in homage or in satire at their fellow performers on the human stage Here you may find yourself rubbing shoulders with the likes of Elvis Presley Oscar Wilde and the Duke of Buckingham or buttonholed by intriguing gatecrashers to the virtual party Who is Butch Weldy for instance And what did become of Waring *West End Final* Hugo Williams,2010-12-09 Hugo Williams's new collection summons the poet's past selves in order of appearance as in an autobiography showing in poems as clear as rock pools that the plain truth is only as plain as the props and make up needed to stage it Childhood and school time offer up the amateur theatricals of themselves in poems of vertiginous retrospect other poems itemize the professional selves of the poet's actor father Hugh Williams by now as familiar and frequently depicted as Cezanne's mountain while the narrator waiting to step into my father's shoes as myself teases out the paradoxes of identity and inheritance After this searching portraiture of the poet's parents the chronology opens onto the broad secular thoroughfares of adulthood including a limpid arrangement of pillow poems which tell the same erotic bedtime story in twelve different ways Other poems strike out decisively along roads not taken meticulous misremembering sinister and fecklessly unfinished narratives about the parallel lives of desire re enacting lost futures and accommodating the irrepressible past as it keeps bouncing back onstage In these fastidious and sardonic investigations of the fault line between voice and projection we admire once more the droll fearlessness the art of candour as practised by Hugo Williams in this his tenth collection of poems [Lines of Resistance](#) Adrian Grafe, Jessica

Stephens,2014-01-10 Resistance is a key concept for understanding the twentieth and early twenty first centuries and for approaching the poetry of the period This collection of 15 critical essays explores how poetry and resistance interact set against a philosophical historical and cultural background In the light of the upheavals of the age and the changing perception of the nature of language resistance is seen to lie at the core of poetic preoccupations moving poetic language forward From this perspective the resistance of poetry is connected with the human call to solidarity resilience and ultimately meaning The volume covers poetry from Hardy Yeats and Auden among others to contemporary writers like Hugo Williams and Linton Kwesi Johnson
