Amalfi on September 20 he wrote to John Paulsen A new dramatic work which I have just completed has occupied so much of my time during these last months that I have had absolutely none to spare for answering letters This new dramatic work was *Et Dukkehjem* which was published in Copenhagen December 4 1879 Dr Georg Brandes has given some account of the episode in real life which suggested to Ibsen the plot of this play but the real Nora it appears committed forgery not to save her husband s life but to redecorate her house The impulse received from this incident must have been trifling About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
