Collected Works V 5:

The Collected Works of Eugene Paul Wigner Eugene Paul Wigner,2001-09-11 Not only was E P Wigner one of the most active creators of 20th century physics he was also always interested in expressing his opinion in philosophical political or sociological matters This volume of his collected works covers a wide selection of his essays about science and society about himself and his colleagues Annotated by J Mehra this volume will become an important source of reference for historians of science and it will be pleasant reading for every physicist interested in forming ideas in modern physics The Complete Works of Lord Byron from the Last London Edition ... With All the Notes ... George Gordon Byron Baron Byron,John Galt,1837

The Complete Works of Lord Byron from the Last London Edition George Gordon Byron Baron Byron,1837 *Abraham Lincoln's Path to Reelection in 1864* Fred J. Martin Jr.,2013-12-20 PRAISE FOR ABRAHAM LINCOLNS PATH TO REELECTION IN 1864 OUR GREATEST VICTORY Political polls consistently record a substantial lack of confidence in national political leaders of both major parties and a disturbing sentiment that the United States is on the wrong track in current policy developments These sentiments lead to unfortunate summaries of alleged failures of our democratic institutions and proposals Fortunately at this moment in our history Fred J Martin Jr has stepped forward with a comprehensive analysis of politics in 1860s and most importantly the political genius Abraham Lincoln as he led our country through a series of perilous crises into new paths of confidence and greatness I admire especially Fred Martin s mastery of political detail and the large variety of motivations strategies and actions of a wide assortment of political players Former Senator Richard Lugar Arguably the most consequential election in American history the presidential contest of 1864 has cried out for a more sophisticated analysis than it has heretofore received Fortunately Fred Martins background in political journalism and in banking has enabled him to provide such an analysis in this book which is a welcome addition to the Lincoln literature Michael Burlingame Author Abraham Lincoln A Life Distinguished Chair in Lincoln Studies History Department College of Liberal Arts and Sciences University of Illinois Springfield IL Fred Martin has written an illuminating account of the roots of Lincolns success as president culminating in his victory in the critical election of 1864 Effectively using Lincolns words as well as those of his contemporaries Martin demonstrates how it became possible for Lincoln to overcome his early background and become a skillful and ethical political leader who saved the Union and ended slavery The book clearly is a labor of love for Martin a long time student of Abraham Lincoln Every person interested in Lincoln and his presidency should have this well researched and well written book in his her library William C Harris author of Lincoln and the Border States Preserving the Union 2011 and Lincoln and the Union Governors 2013 **Among Our Books** Carnegie Library of Pittsburgh,1915 **Catalog, 1903** Indiana State Library,1906 **Catalogue of the library of the Peabody institute of the city of Baltimore ...** Andrew Troeger,John Parker,2025-10-04 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works
