Simpson,1970 **Chamber Music** John H Baron,2010-06-10 Chamber Music A Research and Information Guide is a
reference tool for anyone interested in chamber music It is not a history or an encyclopedia but a guide to where to find
answers to questions about chamber music The third edition adds nearly 600 new entries to cover new research since
publication of the previous edition in 2002 Most of the literature is books articles in journals and magazines dissertations and
theses and essays or chapters in Festschriften treatises and biographies In addition to the core literature obscure citations
are also included when they are the only studies in a particular field In addition to being printed this volume is also for the
first time available online The online environment allows for information to be updated as new research is introduced This
database of information is a live resource fully searchable and with active links Users will have unlimited access annual
revisions will be made and a limited number of pages can be downloaded for printing BBC Music Magazine Top 1000 CDs
