providence and rejection of the incarnation **The Spirit of Truth** Myk Habets, 2010-03-01 Among the theological loci pneumatology is one of the most stimulating exciting and difficult topics to study it is also one of the most rewarding The identity and mission of the Holy Spirit is pervasive throughout Scripture and the Great Tradition and within contemporary Christianity it is one of the most popular topics currently being explored Here ten scholars present twelve essays spanning biblical hermeneutical theological and practical disciplines The result is not an evangelical pneumatology in systematic fashion nor is it a comprehensive theology of the Holy Spirit Rather this volume presents explorations in pneumatology from a variety of evangelical scholars working in varying contexts mostly the South Pacific basin but each wrestling equally with what the Spirit of Truth is saying to the churches today This is a work of outstanding scholarship with essays by Canadian theologian Gary Badcock and a cast of established and emerging Kiwi or New Zealand theologians which gives the work a unique contextual flavor alongside its ecumenical and evangelical commitment *The Betrayal of Witness* Stanley Hauerwas, Hans S. Reinders, 2024-04-16 The downfall of Jean Vanier due to the history of sexual abuse that came to light in 2020 has shocked everyone familiar with his life and work as the founder and leader of L Arche The authors in this book raise significant questions regarding his influential legacy and its relevance for theology and disability and for L Arche in particular Without any attempt to whitewash or downplay the seriousness of his transgressions the question cannot be avoided to sort out the good and the bad in Vanier It requires soul searching on the part of his theological heirs and those who have been influenced by him Finally his work with and influence upon L Arche raises the question of sustainability and how its communities might or might not be shaped by his tarnished legacy Blessings Christin Lore Weber, 1989
