Beginning Again Mary C. Earle, 2004-10-01 A practical and spiritual guide to find God during times of health crisis or chronic disease In 1995 Mary Earle was hospitalized with acute pancreatitis When she was able to return home she still faced a long recovery She had to stay in bed most of the time and eating was difficult some days The busy life she had always known was gone and she had to begin again Like others who suffer from serious or chronic conditions Mary Earle found that living with illness can require major adjustments in life Using St Benedict s ancient Rule his way of ordering the life and days of religious communities *Beginning Again* teaches readers how to discern a rule of life that helps them with changes in resting and activity levels with food restrictions and requirements for medicine or medical treatment The ancient Benedictine concepts of stability obedience and conversion can help anyone living with illness even those who are dying *Beginning Again* is a practical resource written for those who know little about St Benedict and his Rule of Life with exercises to help readers discover how to live with God at the center of their lives and illnesses It is useful for those living with illness and for clergy counselors and spiritual directors who care for them

Beginning Again Sam L. Bevard, 2006-10 Mr Bevard s relationship with the newspaper has been advantageous as his unique style and both the content and the quality of his writing appeals to many of our readers Bob Hendrickson Columnist Publisher of the Maysville Ledger Independent The road led to a ramshackle tobacco barn on the ridge then curved up one last little rise before leveling as a slash through thickets of ash and cedar In his later years after developing a reflective nature John would form a psychic bond with the unknown dead men who had built the barn and once hauled tobacco to it over the old dug road from fields long gone back to woods He paused near the barn as day and night stood in perfect balance In the years ahead John would watch this interplay of light and darkness many times at the beginnings and endings of untold days The delicate shades would become to him metaphoric of the forces that move the universe This passage from *John Shoots His First Gobbler* typifies Sam Bevard s approach to the outdoor experience in this eclectic collection of stories
