This timely work addresses sensitive issues and relations between Muslims and Christians around the world. The book uniquely captures the opportunity for Christians and Muslims to come together and discuss pertinent issues such as pluralism, governance, preaching, Christian missionary efforts, and general misperceptions of Muslim and Christian communities. Joint authorship and discussion within the book is used to offer dialogue and responses between different contributors. This dialogue reveals that Christians and Muslims hold many things in common while having meaningful differences. It also shows the value of honestly sharing convictions while respecting and hearing the beliefs of another. **Bible Review** ,1910 [The Ballets Russes in](#)

Australia and Beyond Mark Carroll, 2011 Tours to Australia and New Zealand during the 1930s by Colonel Wassily de Basil's Ballets Russes mark a watershed in the cultural life of the two nations. Local artists rejoiced in the opportunity to learn about European high art firsthand while audiences and the public at large were jolted from the conservatism that shrouded the post-Depression Antipodes. The dancers were feted like pop stars and they in turn embraced the physical vitality of Australia and New Zealand. The Ballets Russes in Australia and Beyond draws together essays by leading international and national scholars who explore the rich legacy of the Ballets Russes, its impact on dance, music, visual art, and Antipodean society in general. A dazzling array of pictures brings to life the sheer vitality of the companies in a way that makes the volume indispensable to balletomanes, scholars, and those fascinated by the synergies between the creative arts in general.
