

## **New Beginnings**

**It's only the beginning now,  
A pathway yet unknown,  
At times the sound of other steps,  
Sometimes we walk alone.**

**The best beginnings of our lives,  
May sometimes end in sorrow,  
But even on our darkest days,  
The sun will shine tomorrow**

**So we must do our very best,  
Whatever life may bring,  
And look to the winter as a guest,  
To smell the breath of spring.**

**Into each life will always come,  
A time to start a new,  
A new beginning in each heart,  
As fresh as morning dew.**

**The past has its secrets, but the present does too,  
In order to establish the future, we must do what we do,  
In time we will find it and make happiness flow,  
We just need patience in the beginning and in time we'll grow.**

**The years will never take away,  
Our chance to start a new,  
It's only the beginning now,  
So dreams can still come true.**

*Beginnings* Edward W. Said, 1985 This reissued classic traces the ramifications and diverse understandings of the concept of beginning in history and offers valuable insights into the role of the intellectual and the goal of criticism *New Beginnings Poems* Nikolai Lisov, 2013-06-06 This book is a one of a kind I guarantee you won't find a book like mine The poems I write are from experiences or things I have seen in my life I write my poems so my readers can understand a variety of emotions from a wide spectrum of circumstances These poems encourage readers to look at a situation from another's point of view This second book is similar to my first book *Locked Up Poems* but it's all new material and represents the beginning of a new start I was really excited from writing my new book because I want my readers to be happy as well as signify a new chapter in my life At times my poems can get sad or make you laugh When I first started writing it was just a hobby Now it's more than that I try to help people based upon my experiences of what I have been through I want my readers to understand that they are not alone in their experiences Everyday is a new day and a new start *Beginnings* Kathryn Carole Ellison, 2020-05-05 Carole Ellison began writing poems to her children in the 1970s when they were reaching the age of reason and as she found herself in the position of becoming a single parent She felt she needed something special to share with them something that would become a tradition something they could always count on And so her *Advent Poems* began one day decades ago with a poem each day during the Advent season in December The poems were accompanied by a little trinket or sweet for them to enjoy Forty years later her children still look forward to the annual poems that started a family tradition that new generations have embraced Or maybe it's the trinkets they love *Children of the Light* was among the first poems she wrote and it is included in each of the first three books in this collection After writing hundreds of poems it is still her favorite *Light* she explains represented all that was good and pure and right with the world and she believed then as she does today that those elements live in her children and perhaps in all of us We need only to dare and to reach for it *Milestones* is among the newest group of gift books in Kathryn Carole Ellison's *Gifts of Love Collection* and her other titles include *Inspirations Celebrations Sojourns Awakenings Sanctuary Gratitude Heartstrings and Tapestry* as well as new 2020 titles *Horizons Beginnings Moments* ***Beginning Well*** Judith M. Davidoff, 1988 This book advances the argument that there exist in Middle English verse distinct narrative patterns that affected medieval contemporary audiences in symbolic ways The author focuses upon one particular narrative pattern that occurs in a large number of poems allowing us to discern even if we do not share unstated medieval assumptions about narrative structure *Brooklyn Beginnings* Carolyn Grassi, 2021-04-22 *Brooklyn Beginnings* is more than the world of Flatbush Central Park the Atlantic Ocean and its many geographic mentions it is an honest expression of a woman's life beautifully told every poem is an interior meditation as though a collaboration with the Divine harvesting memory ruminating observing recalling anecdotes revealing a life of reverence Each line we know to be true with a voice incapable of artifice I don't know when I've read a work where every

fragment radiates so wholesomely with language so clear by someone who says everything she thinks and stories unchanged by time s imagination This is why I believe Brooklyn Beginnings is a masterwork and a triumph Grace Cavalieri Maryland Poet Laureate Edgar Allan Poe once claimed that readers of literature are seeking a heart revealed Carolyn Grassi s memoirs in poetry shine because they not only reveal her heart but fascinating glimpses into her soul Ron Hansen author of Mariette in Ecstasy and other books The evocative mixture of memory dream spirit and beautifully observed nature reveals the trajectory of a sensitive soul from childhood to maturity Rich in image these are poems to which the reader will return time and again Deborah O Grady renowned Photographer Videographer In these poems the writing is immersive and engaging eliciting close reading to catch the voice a consistent coherent voice recollecting and meditating upon lived experience The theme I make out is Spinoza s deus sive natura or Teilhard de Chardin the divine manifesting itself in nature At their finest as in A Call To The Commons the poems attain the sort of cosmic imagination or consciousness that we are so much in need of right now A David Moody Professor emeritus University of York UK author of Ezra Pound Poet Portrait of the Man and His Work *Look Round for Poetry* Brian McGrath, 2022-05-17 Poetry is dead Poetry is all around us Both are trite truisms that this book exploits and challenges In his 1798 Advertisement to Lyrical Ballads William Wordsworth anticipates that readers accustomed to the poetic norms of the day might not recognize his experiments as poems and might signal their awkward confusion upon opening the book by looking round for poetry as if seeking it elsewhere Look Round for Poetry transforms Wordsworth s idiomatic expression into a methodological charge By placing tropes and figures common to Romantic and Post Romantic poems in conjunction with contemporary economic technological and political discourse Look Round for Poetry identifies poetry s untimely echoes in discourses not always read as poetry or not always read poetically Once one begins looking round for poetry McGrath insists one might discover it in some surprising contexts In chapters that spring from poems by Wordsworth Lucille Clifton John Keats and Percy Bysshe Shelley McGrath reads poetic examples of understatement alongside market demands for more the downturned brow as a figure for economic catastrophe Romantic cloud metaphors alongside the rhetoric of cloud computing the election of the dead as a poetical and not just a political act and poetic investigations into the power of prepositions as theories of political assembly For poetry to retain a vital power McGrath argues we need to become ignorant of what we think we mean by it In the process we may discover critical vocabularies that engage the complexity of social life all around us *From the beginnings to the age of Henry VIII, by Richard Garnett* Richard Garnett, Edmund Gosse, 1903 **The Cambridge History of English Literature: From the beginnings to the cycles of romance** Sir Adolphus William Ward, Alfred Rayney Waller, 1920 *The Beginning & the End, and Other Poems* Robinson Jeffers, 1963 **Fulfillment** Thierry Guillemin, 2024-05-17 The New Testament is crossed by an incredible narrative tension The poetic language allows this tension to be highlighted it paints the features of an epic of salvation through plays of images symbols and emotions and gives the texts a new intensity While this collection does not require any

preliminary biblical knowledge the latter will help to grasp its full meaning The reader can choose a systematic reading from the beginning or go directly to the heart of the collection by reading the poems concerning the passion and resurrection starting from Gethsemane They will then understand what reading the book can bring them As with the collection Beginnings which precedes it the poems are given in the original language they were first written French and in their translation into English The people who can read French will be able to appreciate the musicality inherent in their composition The English reader will be able to appreciate the general aesthetics of the images and the description of the emotions faithfully rendered by the translation
