Behaving Bradley:

Behaving Bradley Perry Nodelman, 2000 Brad Gold is an average Grade 11 kid desperately trying not to attract attention to himself When Brad agrees to interject some student opinion into Roblin High School s new proposed Code of Conduct he gets a crash course in personal agendas and becomes the least popular kid in school An Accelerated Reader title **Humor in Young Adult Literature** Walter Hogan, 2005-01-20 Celebrates the accomplishments of YA authors acclaimed for producing high quality comedies who have not yet been treated in a book length bio critical study Simultaneously it reminds readers that no matter how funny an author of fiction may be if he shows off his wit in ways that fail to play a natural role in advancing his narrative he is not writing good fiction To demonstrate this humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events such as sibling rivalry bullies and first dates *The Islands* Di Morrissey, 2012-01-06 It s the psychedelic 70s and social conventions are being challenged When Catherine Moreland from rural Australia goes on her first trip abroad a handsome American naval officer sweeps her off her feet and she goes to live in beautiful romantic Hawaii with her new husband At first the magic and loveliness of the Islands lead Catherine to believe she is living in paradise She befriends Kiann e a traditional dancer Eleanor the owner of the legendary Palm Grove Hotel Lester a reclusive old surfer and royal Beatrice leading the fight to maintain Hawaii s heritage and culture However as Catherine learns more about the Islands she begins to discover that paradise has a darker side And when she meets a mystery man of the sea as though hit by a tsunami her life is turned upside down and changed forever *What Can You Say?* John Hartigan Jr., 2010-06-10 We are in a transitional moment in our national conversation on race Despite optimistic predictions that Barack Obama s election would signal the end of race as an issue in America the race related news stories just keep coming Race remains a political and polarizing issue and the sprawling unwieldy and often maddening means we have developed to discuss and evaluate what counts as racial can be frustrating In *What Can You Say* John Hartigan Jr examines a watershed year of news stories taking these events as a way to understand American culture and challenge our existing notions of what is racial or not The book follows race stories that have made news headlines including Don Imus s remarks about the Rutgers women s basketball team protests in Jena Louisiana and Barack Obama s presidential campaign to trace the shifting contours of mainstream U S public discussions of race as they incorporate new voices words and images Focused on the underlying dynamics of American culture that shape this conversation this book aims to make us more fluent in assessing the stories we consume about race Advancing our conversation on race hinges on recognizing and challenging the cultural conventions governing the ways we speak about and recognize race In drawing attention to this curious cultural artifact our national conversation on race Hartigan ultimately offers a way to to understand race in the totality of American culture as a constantly evolving debate As this book demonstrates the conversation is far from over
