Behind Communism:

Behind Communism Frank L. Britton,2012 *The Lost World of Communism* Peter Molloy,2009-10-13 1989 was a year of revolution it marked the collapse of communism in Eastern and Central Europe and an end to an entire way of life for millions of people behind the Iron Curtain Beginning in Hungary the retreat from communism picked up speed over the summer when the Poles won an overwhelming victory in free elections over their pro Soviet rulers In the fall East Germany and Czechoslovakia achieved freedom with surprisingly little violence Only Romania at the end of the year witnessed a savage battle in the capital and the summary execution of the most notorious of Eastern Europe s dictators Nicolae Ceausescu In *The Lost World of Communism* Peter Molloy producer of the accompanying BBC series collects first hand testimony of the people who lived in East Germany Czechoslovakia and Romania during the Cold War era and reveals an astonishingly rich tapestry of experience that goes beyond the headlines of spies and surveillance secret police and political corruption in fact many of the people remember their lives under communism as perfectly ordinary and even hanker for the security that it offered From international figures like Vaclav Havel and Lech Walesa via the shadowy figures of Eastern Europe s intelligence and security services to its ordinary citizens the voices collected on Peter Molloy s book evoke the moods preoccupations and experiences of a world of that vanished almost overnight [Behind Communism](#) Frank L. Britton, Lawrence Patterson,1998 **Behind Communism 1917-2010** Frank L. Britton,2017-08-09 Fully revised expanded and updated from the original 1952 book this work clearly shows that Communism grew out of Russian Judaism Although the Soviet Union has disappeared the ideology which underpinned that state state engineered economic and social egalitarianism lives on and is stronger than ever before in the West Now completely updated to include post war Communist movements in eastern Europe Britain America South Africa and China this book is the most detailed record yet of the leading Jewish role in Communism The conclusion discusses the reasons for Jewish extremist behavior based on an understanding of group evolutionary psychology Cover image Nelson Mandela and the head of the South African Communist Party the Lithuanian Jew Joe Slovo 1990 **Behind the Curtain** Philip Gibbs,2022-08-01 DigiCat Publishing presents to you this special edition of *Behind the Curtain* by Philip Gibbs DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Let's All Get Behind the Pope...** Lucien Gregoire,2009-08 **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The

other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Daily Life**

behind the Iron Curtain Jim Willis,2013-01-24 This compelling book describes how everyday people courageously survived under repressive Communist regimes until the voices and actions of rebellious individuals resulted in the fall of the Iron Curtain in Europe Part of Greenwood s Daily Life through History series Daily Life behind the Iron Curtain enables today s generations to understand what it was like for those living in Eastern Europe during the Cold War particularly the period from 1961 to 1989 the era during which these people East Germans in particular lived in the imposing shadow of the Berlin Wall An introductory chapter discusses the Russian Revolution the end of World War II and the establishment of the Socialist state clarifying the reasons for the construction of the Berlin Wall Many historical anecdotes bring these past experiences to life covering all aspects of life behind the Iron Curtain including separation of families and the effects on family life diet rationing media clothing and trends strict travel restrictions defection attempts and the evolving political climate The final chapter describes Eastern Europe after the fall of the Berlin wall and the slow assimilation of East into West and examines Europe after Communism *Encyclopedia of Fundamentalism: Volume 3 of Religion & Society* Brenda Brasher,2001-10-19

The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others Right and Reason Austin

The Cold War Comes to Main Street Lisle A. Rose,1999 In 1950 Main Street American was abruptly traumatized The sudden prospect of thermonuclear war with the Soviet Union Senator McCarthy s vicious anticommunist crusade and the beginning of the Korean War all combined to dampen the public mood The Cold War invaded every home Rose maintains that

1950 was a pivotal year for the nation. He argues that the convergence of Korea, McCarthy, and the bomb wounded the nation in ways from which we've never fully recovered. Brimming with originality, this book makes readers look at the Cold War from a dozen different angles.
