## Behind The Headlines:

Statistics Behind the Headlines A. John Bailer, Rosemary Pennington, 2022-09-28 How do you learn about what's going on in the world Did a news headline grab your attention Did a news story report on recent research What do you need to know to be a critical consumer of the news you read If you are looking to start developing your data self defense and critical news consumption skills this book is for you It reflects a long term collaboration between a statistician and a journalist to shed light on the statistics behind the stories and the stories behind the statistics The only prerequisite for enjoying this book is an interest in developing the skills and insights for better understanding news stories that incorporate quantitative information Chapters in Statistics Behind the Headlines kick off with a news story headline and a summary of the story itself The meat of each chapter consists of an exploration of the statistical and journalism concepts needed to understand the data analyzed and reported in the story The chapters are organized around these sections What ideas will you encounter in this chapter What is claimed Is it appropriate Who is claiming this Why is it claimed What makes this a story worth telling Is this a good measure of impact How is the claim supported What evidence is reported What is the quality strength of the evidence Does the claim seem reasonable How does this claim fit with what is already known How much does this matter Considering the coverage Chapters close with connections to the Stats Stories podcast
