## **Behind The Sun:**

**Behind the Sun** P F Walwyn, 2019-03-19 Seventeen year old Jessica and her younger brother Tom live with their aunt Gina Their parents are missing presumed dead But are they Pursued by Levchenkov who is Gina s partner and a covert agent Jessica and Tom embark on a search for answers Set in the near future which is a time of political and social tension Jessica and Tom are immediately caught in a web of national turmoil global intrigue and terrorism They endure a menacing train journey the bombing of a police station and confinement in an underground shelter before escaping to the other side of the world In the secret labyrinths of Hong Kong they become involved with an underground political group a Chinese Triad Unsure whether they control their own destinies brother and sister engage in a violent chase across the South China Sea Finally this transformative quest becomes a pilgrimage into the unknown depths of Asia for the breathtaking conclusion In what is ostensibly a mystery thriller Jessica and Tom are led to question the nature of beauty time and reality as their search for truth and a home becomes a spiritual journey It will appeal to all fiction lovers who are looking for depth from their adventures from the upper teenage years to the adult market

**Sun Behind The Sun** ,2018-06-25 Sun Behind The Sun is an ebook for those who have already tasted the fruits of awakening but aren t yet quite sure where exactly spiritually they are It s for those interested in deepening their understanding about the mystic union of the earthly soul with its divine companion Higher Self kundalini activation deep meditation sungazing Eternal Sun and other deeper spiritual subjects Here are some topics that are covered in the book How archons operate in human affairs How to know your level of spiritual growth Recognize whether your spiritual growth is genuine or it s a new age illusive growth In depth information on Kundalini In depth information about the Higher Self Western way to achieve the union with your Higher Self safer than the eastern yoga Esoteric meaning of Jesus crucifixion Esoteric Christian Hindu Buddhist teachings explained How Christianity borrowed most of its tenets from pagan religions How and why planets rule us and what to do about it What pagan deities really represent and how this empowers those who know it How the month in which a child is born determines his her inclinations Celibacy magic and advice on semen preservation in relationships What the Holy Spirit really is based on my research and personal experience An in depth sungazing guide containing much more information than available online And so much more This book is suitable for those genuinely interested in spiritual growth In this book I ve shared with you most of my current spiritual developments and research I ve read many obscure and difficult to understand esoteric books and coupled with my personal observations and long hours of meditation I m sharing with you my conclusions about deeper spiritual topics

[The Assumptions Behind the Theory of Evolution](#) Dave A. Schoch, 2011 The foundation of evolutionary theory consists solidly of numerous unwarranted and illegitimate assumptions many of which are antagonistic to the facts of nature These assumptions are taught to the public as codified facts of science when they exist only as what if s The author addresses these issues as well as the philosophical roots of this scientific movement that push the theory along keeping it

alive by less than scientific means He exposes the farce that a false philosophy not science keeps alive Most of the arguments for Intelligent Design are covered as well as many more ID doesn't cover The author also covers various games that evolutionary theorists like to play in their efforts to make evolutionary theory seem scientific He covers equivocation switching the meanings of words around to fit one's means to an end especially the four different meanings of the word evolution utilized by evolutionists to confuse the issue Before long anyone caught up into a debate with an evolutionist must concede because of these perfidious tactics According to one scientist this is an excellent book It promises to be a very important book in this area referring to the creation vs evolution controversy Dr Jerry Bergman M S Ph D M P H M A M S B S

**The Sun's Heartbeat** Bob Berman,2011-07-13 The beating heart of the sun is the very pulse of life on earth And from the ancients who plotted its path at Stonehenge to the modern scientists who unraveled the nuclear fusion reaction that turns mass into energy humankind has sought to solve its mysteries In this lively biography of the sun Bob Berman ranges from its stellar birth to its spectacular future death with a focus on the wondrous and enthralling and on the heartbreaking sacrifice laughable errors egotistical battles and brilliant inspirations of the people who have tried to understand its power What exactly are the ghostly streaks of light astronauts see but can't photograph when they're in space And why is it impossible for two people to see the exact same rainbow Why are scientists beginning to think that the sun is safer than sunscreen And how does the fluctuation of sunspots and its heartbeat affect everything from satellite communications to wheat production across the globe Peppered with mind blowing facts and memorable anecdotes about spectral curiosities the recently discovered second sun that lurks beneath the solar surface the eerie majesty of a total solar eclipse The Sun's Heartbeat offers a robust and entertaining narrative of how the Sun has shaped humanity and our understanding of the universe around us
