Pahigian, 2006-11-10 The dramatic postseason collapses and logic defying defeats suffered by the Boston Red Sox in the 86 long years between their 1918 and 2004 world championships are the stuff of legend Fan fixation on the climactic moments Johnny Pesky's late throw in 1946 Bill Buckner's boot in 1986 and so many others leaves the full story of the team's experiences in the playoffs and World

Japanese readers The aim of juxtaposing such diverse narrative and visual culture is to map common storylines and thematisation techniques about normative femininity self harm and eating disorders Furthermore it shows how women s private struggles with their own bodies have become public discourse available for consumption as entertainment and lifestyle products Highly interdisciplinary it will be of huge interest to students and scholars of Japanese studies Japanese culture and society and gender and women s studies as well as to academics and consumers of Japanese literature manga and animation
