Behind the Offshore Veil Jeffrey H. Corbett, Patrick J. Kish, 1998 *Against the Sun & Veiled Intentions* Kat Martin, Delores Fossen, 2018-09-25 BESTSELLING AUTHOR COLLECTION Reader favorite romances in collectible volumes from our bestselling authors **EXTREME EXPOSURE** It's not in bodyguard Jake Cantrell's job description to share his suspicions with his assignments Beautiful executive Sage Dumont may be in charge but Jake's not on her payroll As a former Special Forces marine Jake trusts his gut and it's telling him there's something off about a shipment arriving at Marine Drilling International His instinct is aroused in more ways than one A savvy businesswoman Sage knows better than to take some hired gun's hunch as gospel And yet she is learning not to underestimate the man her grandfather hired to protect her Determined to prove Jake wrong Sage does some digging of her own and turns up deadly details she was never meant to see Drawn into a terrifying web of lies and deceit and into feelings they can't afford to explore what Jake and Sage uncover may be frighteningly worse than they ever imagined **FREE BONUS STORY INCLUDED IN THIS VOLUME** *Veiled Intentions* by USA TODAY bestselling author Delores Fossen Detective Katelyn O Malley must work with hotshot Sergeant Joe Rico her new boss and fake fianc to draw out a deadly killer Saying I do has never been so dangerous Previously published Protect Your Assets Adam Starchild, 1996 Read the appalling true stories of countless innocent citizens whose lives have been turned upside down by government seizure of their homes businesses vehicles and bank accounts without due process Find out what circumstances can place your property at risk and what you can and must do to protect your assets **Transformers** Alan Dean Foster, 2009 Battles flare up between the Autobots and Decepticons State of Corruption, State of Chaos Michaelene Cox, 2008-01-01 State of Corruption State of Chaos provides a base of knowledge upon which critical analyses on the nature and causes of violence can draw Studies in this volume were selected for their unique contributions to the rich and growing literature on corruption and conflict **China's Foreign-Invested Limited Partnership Enterprise** Stephan Kuntner, 2020-10-01 Since a reform in 2010 foreign investors can establish a Foreign Invested Limited Partnership Enterprise FILPE in China together with Chinese or foreign investors The FILPE can be combined with a domestic or foreign corporate general partner thus allowing for a structure that offers the flexibility and taxation conditions of a partnership while protecting its investors against personal liability like a company The book explores from the perspective of a foreign investor if the FILPE is an attractive investment vehicle by analysing whether it provides the characteristics that are internationally recognized as constituting a standard corporate form Among these characteristics the three that are most strongly interconnected and interdependent form the core of the analysis legal personality limited liability and transferable ownership interest These are analyzed in context of China's restrictive framework of foreign investment regulations and enterprise organization law **Risk Allocation and Distributive Justice in the Energy Industry** Smith I Azubuike, 2024-09-30 Brings the concept of gross negligence to the fore and highlights how distributive justice forms a better foundation for risk

allocation in the offshore energy industry Assessed the practice of risk allocation in gross negligence cases in offshore petroleum drilling contracts Presented a public policy perspective on risk allocation in offshore drilling contracts Discussed gross negligence as a sui generis risk and provides a definitional pathway for determining when gross negligence has occurred and how it should apply to offshore energy drilling contracts to encourage a pollution free drilling operation Advanced the concept of distributive justice as a basis for risk allocation between participants when a downside arises due to gross negligence This book examines the practice of risk allocation in the offshore energy industry through the public policy lens and offers a novel perspective on the concept of gross negligence in risk allocation This perspective is founded on the proportionality element of distributive justice in burden distribution The assessment of how mutual indemnity clauses apply as an absolute shield against liability arising from gross negligence reveals that moral hazard can result from the practice In the analysis this book considers the risk allocation practice in PSC and Concession regimes and how parties liability is determined in drilling contracts This book considers gross negligence a sui generis risk and provides a definitional pathway for determining when gross negligence occurs and how it should apply to offshore drilling contracts Thus it advances an environmental sustainability approach to offshore petroleum drilling operations This book will be useful to operators and contractors resource rich countries insurance companies practitioners scholars and academics interested in risk allocation in the petroleum industry

Democratising Globalisation Heikki Patomaki, 2001-08-31 In the 1970s Professor James Tobin proposed a very modest tax on currency transactions to make much speculative movement of funds unprofitable and the world financial system less volatile Heikki Patomaki makes an up to date case for the Tobin tax and explains how to implement it He argues that global financial markets undermine the real economy of production and employment cause de democratization by transferring accountability away from national parliaments and redistribute wealth in favour of the well off The Tobin tax if implemented with other regulatory measures would be emancipatory It would control global finance bolster state autonomy and influence the politics of globalization towards democratic control social responsibility and justice The main obstacle is lack of political will Dr Patomaki argues that a group of countries could initiate the system and develops the idea of a Tobin tax organization TTO which would implement and supervise the process
